We will have a daily treat for teachers during this week!

Hospitality will host a monthly luncheon or breakfast. We are leaving the date up to that committee chair but if you have specific dates you would like us to use, please let me know!

We are working on a March fundraiser- we just don't know what it will be yet!

Can you please send me a list of all the staff's tshirt size and birthday or birthday month?

I apologize for the overload of information! We are trying to finalize the calendar and have it ready to distribute by 9/1 so everyone is in the loop!

If you need additional support for any events, we are happy to help!
