

ADMINISTRATIVE REPORT

DATE: November 3, 2022
TOPIC: #4.1 - Strategic Planning Update
PRESENTER: Julie Nielsen, Superintendent

A. PURPOSE OF REPORT

- a. The Classroom to Boardroom Strategic Planning Team has met four times between June and October. As part of Strategic Planning process, we have engaged students, staff and families in the feedback loop related to the Desired Daily Experiences. The Desired Daily Experiences will be foundational to the strategic plan.
- b. TeamWorks International will provide the School Board with a summary of the strategic planning work to date, including:
 - An update on the process for feedback about the Desired Daily Experience for students, families and staff and refinement of the descriptions based on the feedback.
 - A summary of school and department assessments of strengths and needs from the October planning session.
- c. TeamWorks will highlight upcoming planning work including the development of the District Theory of Action, VisionCards and a Draft Operational Plan.
