

## Dennis Johnson Scholarship for the Trades

Dennis was a hardworking, self taught man who died of a massive heart attack on April 8, 2021. Dennis graduated from Owatonna High School and worked his whole life remodeling houses and selling as homes. He also had rental property. We started this scholarship to honor the person who works with their hands.

Tell us a bit about yourself and why you want to go into the trades. Please give us enough to help make the decision (i.e. I like to work with my hands. I prefer to be outside working. I want to build homes or run plumbing or learn electrical. Just a simple statement). If you prefer to speak, you can email to [uwork13@yahoo.com](mailto:uwork13@yahoo.com) with a time that would be good to discuss over the phone or in person.
