Comprehensive Needs Assessment

Needs Assessment Overview

Needs Assessment Overview Summary

Annual CNA Process:

- District and campus administrators review the goals set by the board of trustees.
- Each campus establishes teams to examine multiple sources of data.
- Teams analyze collected data to identify campus strengths and needs.
- Campus representatives bring summaries of their campuses identified strengths and prioritezed needs to a meeting of the District Educational Improvement Committee (DEIC) to help develop the district's CNA.
- CNA findings are the foundation of the district and campus improvement plans which identify strategies and activities to address identified strengths and needs. Priorites and needs correlate with justifications for ESSA program expenditures.

The LSECC Campus Improvement Committee (CIC), which consists of campus administrators and teachers, parents, and community and business representitives, began conducting a comprehensive needs assessment for school year 2022-2023 beginning in May of the 2022 school year. Updates and revisions occur through the school year and will continue throughout the year as needed. Mutiple data sources and transition information from the nine district elementary schools were reviewed, discussed and disaggretaed. Strengths were identified to build upon. Needs and concerns were prioritized. Meetings with Head Start and CIS were also held and that partnership information factored into the comprehensive needs assessment. On-going needs will be documented during the formative review process.

The committee will meet two times during the year to check progress and then at the end of the year to evaluate program results. Recommendations for adjustments may be made to improve the program throughout the school year. When required stakeholders cannot attend scheduled meetings, the campus will seek alternative forms of feedback, including but not limited to, phone calls, email, surveys, and home visits.

Once approved by the Board of Trustees, the Campus Improvement Plan, in English and Spanish, will be linked to the <u>NBISD website</u>. A hard copy is available at the campus. The Campus Parent and Family Engagement Policy in English and Spanish can also be found on the NBISD website. If another language is needed, please contact the campus for assistance

Demographics

Demographics Summary

Lone Star Early Childhood Center serves the entire New Braunfels Independent School District as a title 1 Early Childhood Center. New Braunfels is halfway between Austin TX and San Antonio TX in Comal County, which is currently one of the fastest growing counties in the nation. It is a city rich with history, culture and tradition, making it an ideal place for families to move to. As a result, the district as a whole has continued to see an increase in enrollment. Due to this rapid growth, NBISD built additional elementary campuses to accomadate overall student enrollment as well as student demographic balance. NBISD has a partnership with CCSCT in order to accommodate Head Start students along with our state qualified PK students. LSECC also serves special education students that are ages 3 and 4 in our ECSE program. There is a tuition program available for 4 year olds. All classrooms have certified teachers and a highly-qualified para-professional assigned. The maximum class enrollment for PK4 classes that have Head Start students is 20 students with two adults. For other classrooms, the student to teacher ratio is 22:2. LSECC enrolled 364 PK students in October of 2019. LSECC had 372 students enrolled as of March 2020. Enrollment for the 2021-2022 school year ended in May with 280 students with around 78% educationally disadvantaged. Fall enrollment as of 8/31/22 is 289. The district is working to increase PK enrollment after a decrease in enrollment post COVID.

Demographics Strengths

- -Dedicated Early Childhood Center in the district to serve our PK aged students. We also support the district's ECSE students which are 3 and 4 year old children with disabilities.
- Attendance for LSECC's ADA was 94% for 18-19 school year. 93% ADA for the 19-20 school year. ADA for the 2021-2022 school year was at 90% overall. This was a combination of our EE and PK coded classrooms.
- Diverse variety of students enrolled second language, homeless, foster, educationally disadvantaged and tuition students. We also partner with Head Start to provide wrap around services for our most needy families in the NBISD community.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): Overall district attendance rate is just below 96%. LSECC campus attendance rates for the 2017-2018 and 2018-2019 school years were 94%. Attendance rate for the 2021-2022 school year was at 90%. **Root Cause:** PK students generally have the lowest attendance rates due to it being their first time in school. The parents are also unaware that once they enroll their student in public school PK that they are required to follow the compulsory attendance laws.

Problem Statement 2 (Prioritized): Adult to student ratios for 3 and 4 year old children must be smaller than K-4 class size caps of 22:1 to ensure adequate adult supervision and learning opportunities.. **Root Cause:** Young children require high levels of adult interaction and supervision.n

Student Learning

Student Learning Summary

All PK students are assessed using the CLI Engage, Brigance and Scholastic PK On My Way assessments. Head Start classroom staff are also rated using the CLASS observation.

Student Learning Strengths

LSECC's strengths in the area of student achievement are:

Emergent Literacy - Writing

While young children come into school for the first time with a variety of background experiences and language, almost every child at LSECC demonstrates individual progress over the three Waves of CLI.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): When students arrive at school their skill levels are unknown in the following CLI objectives that related to the established state Pre-K Guidelines: Social-Emotional, Physical, Cognitive, Language, Math, Science & Technology, The Arts and English Language Acquisition. **Root Cause:** First time enrolling in school with varied background experiences

Problem Statement 2 (Prioritized): Parents shared in a survey that larger class sizes and communication were two main areas where there was an opportunity for improvement. **Root Cause:** PK parents may not have the knowledge base regarding class size limits and waivers through TEA. We are always looking for ways to improve our communication this was actually a theme for strengths and opportunities for improvement.

Problem Statement 3 (Prioritized): At Risk students may need supplemental support. **Root Cause:** PreKinder students arrive at school for the first time at a various levels of academic readiness.

School Processes & Programs

School Processes & Programs Summary

All LSECC classrooms utilize the Scholastic PK On Way comprehensive curriculum which is in English and Spanish. The Scholastic curriculum covers Literacy, Math, Social Studies, Science, Physical and Social-Emotional learning areas.

The campus uses Effective Behavior Interventions & Supports schoolwide in order to develop optimal mental health practices and promote positive behavior. We are safe, responsible and respectful with structures in place in all common areas and classrooms to enhance this first school experience. LSECC Campus Improvement Committee has developed a mission statement and use common language to promote positive behaviors in our children. We utilized Educator's Handbook to track behavior by individual, classroom, location, time of day and instructional setting. The Assistant Principal and Behavior Specialist are the campus behavior coordinators who will attend trainings together throughout the year together.

NBISD partners with CCSCT/Head Start to offer wrap-around services for the families and students that qualify.

School Processes & Programs Strengths

- EBIS team in place to create a PBIS school-wide systems for the PK students with intensive professional development for campus Behavior Coordinators.
- Partnership with Head Start/CCSCT to provide academic, emotional and family supports to the most at-risk students.
- Team Leader monthly meetings for campus-wide decision-making.
- Campus Improvement Committee meeting held quarterly with classroom teachers, parents, community and HeadStart staff representation.
- Faculty Meetings held monthly with an emphasis on Professional Development for teachers and instructional paraprofessional--collaboration with Head Start staff.
- -Home visits twice annually with Head Start students' families to set and discuss development of parental goals for their student/s whil in PreK.

Problem Statements Identifying School Processes & Programs Needs

Problem Statement 1 (Prioritized): Student with disabilities may need additional support to fully access PreK, age appropriate learning. **Root Cause:** Students in ECSE that receive specialized instruction may be academically, developmentally, and/or physically behind their age group peers.

Problem Statement 2 (Prioritized): Educationally disadvantaged students need a full day PreK program in order to access high quality instructional and school readiness learning. **Root Cause:** Families and children living in poverty and other challenging situations cannot access half-day preKindergarten programs due to the need of parents to work during school hours.

Problem Statement 3 (Prioritized): Educationally disadvantaged students need presentations and other outside learning experiences in order to access diverse learning experiences. **Root Cause:** Families and children living in poverty and other challenging situations do not have the monetary means to provide diverse experiences for their children.

Problem Statement 4 (Prioritized): Some students need support and/or instruction in appropriate behaviors for a public school academic environment. Root Cause: Young children

entering school for the first time may not have a fully developed behavioral skill set appropriate to a school or classroom environment. Emotional maturity is still developing.

Problem Statement 5 (Prioritized): Parents need to have information about LSECC, especially as a Title I Schoolwide Campus. Parents indicate they would like more communication, in various ways, provided about school events.. **Root Cause:** Parents may not always have time to read the paper newsletters sent home in students folder, so communicating in many different modalities will help everyone to be better informed.

Perceptions

Perceptions Summary

Teachers perceptions - Teachers feel the overall climate at LSECC is positive and they enjoy working here. The teachers also appreciate the front office staff being pleasant, helpful and cooperative. The teachers believe that the students enjoy coming to school each day. Staff indicated that strengths of our campus were the following: Caring & Committed Staff and Teamwork. Staff noted that the following were opportunities for improvement: Communication and Class size.

Parent perceptions - Parents feel welcomed at LSECC and said their children like coming to school with the overal climate of the school being positive. Parents feel the school's focus is on teaching and learning as well as their child is prepared for success at the next grade. Parents believe that the teachers have high expectations for their students and that their child feeels physicially safe at school. The parents also felt that they were informed of activities such as parent meeting, student performances and special activities. Parents report it's easy to get an appointment with the teacher or an administrator and their overal experience with the school was excellent. Parents noted that the campus strengths were the following: Caring and Communication. Parents notes that the following were opportunities for improvement: Communication and Class size.

Perceptions Strengths

- Teachers enjoy coming to work at LSECC because of the positive culture and climat.
- Parents feel welcomed and feel the staff have high expectations for their children. The parents also feel that LSECC has prepared their child for Kinder.

Students percieve LSECC as a caring and supportive environment where they are safe. Students are actively engaged in play-based learning with an intentional underlying philosoph that learning is fun.

Problem Statements Identifying Perceptions Needs

Problem Statement 1 (Prioritized): Staff would like more of a voice in campus decision-making. **Root Cause:** Only a select group of teachers are on various committees on campus like the Team Leader and EBIS committees. If a teacher is not on one of these committees, they may feel that their voice isn't directly heard, but only heard through teammates.

Problem Statement 2 (Prioritized): Some teachers feel that they need a high level of parent support. **Root Cause:** Since this may be the parents first time with a school-aged child, they may not have the ability or know how to support teachers.

Problem Statement 3 (Prioritized): Parents need to have information about LSECC, especially as a Title I Schoolwide Campus. Parents indicate they would like more communication, in various ways, provided about school events.. **Root Cause:** Parents may not always have time to read the paper newsletters sent home in students folder, so communicating in many different modalities will help everyone to be better informed.

Lone Star Early Childhood Center Parent and Family Engagement Policy

PART I. GENERAL EXPECTATIONS

Lone Star ECC agrees to implement the following statutory requirements:

- Consistent with section 1118, the school will work to ensure that the required school level parental involvement policies meet the requirements of section 1118 of the ESEA, and each include, as a component, a school-parent compact consistent with section 1118(d) of the ESEA.
- Schools will notify parents of the policy in an understandable and uniform format and, to the extent practicable, in a language the parents can understand. The policy will be made available on the campus website to the local community and updated periodically to meet the changing needs of parents and the school.
- In carrying out the Title I, Part A, parental involvement requirements, to the extent practicable, the school will provide full opportunities for the participation of parents with limited English proficiency, parents with disabilities, and parents of migratory children, including providing information and school reports required under section 1111 of the ESEA in an understandable and uniform format and including alternative formats upon request and, to the extent practicable, in language parents understand.
- The school will build its own and the parent's capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school, parents, and the community to improve student academic achievement.
- The school will provide other reasonable support for parental involvement activities under section 1118 of the ESEA as the parents may request.
- The school will be governed by the following statutory definition of parental involvement, and will carry out programs, activities, and procedures in accordance with this definition:

Parental involvement means the participation of parents in regular, two-way, and meaningful communication involving student academic learning and other school activities, including ensuring—

- (A) that parents play an integral role in assisting their child's learning;
- (B) that parents are encouraged to be actively involved in their child's education at school;
- (C) that parents are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child;
- (D) the carrying out of other activities, such as those described in section 1118 of the ESEA.

PART II. DESCRIPTION OF HOW SCHOOLS WILL IMPLEMENT REQUIRED SCHOOL PARENTAL INVOLVEMENT POLICY COMPONENTS

1. Lone Star ECC will take the following actions to involve parents in the joint development of its school parental involvement plan under section 1118 of the ESEA:

The Campus Improvement Committee, along with members of the PTA, will meet to develop, review, update, and approve the campus parent involvement policy.

2. Lone Star ECC will take the following actions to involve parents in the process of school review and improvement under section 1116 of the ESEA:

At the end of the school year, parents/staff/students will have the opportunity to complete a survey that will provide the school with data on strengths and possible improvements.

3. Lone Star ECC will hold an annual meeting to inform parents of the school's participation in Title I, Part A programs, and to explain the Title I, Part A requirements and the right of parents to be involved in Title I, Part A programs. The school will convene the meeting at a time convenient for parents and will offer a flexible number of additional parental involvement meetings, such as in the morning or evening, so that as many parents as possible are able to attend. The school will invite all parents of children participating in Title I, Part A programs to this meeting, and will encourage them to attend, by:

The meeting date, time, and location will be posted on the campus website, marque, sent in newsletters and school messenger.

4. Lone Star ECC will provide parents of participating children information in a timely manner about Title I, Part A programs that includes a description and explanation of the school's curriculum, the forms of academic assessment used to measure children's progress, and the proficiency levels students are expected to meet by:

Teachers have parent conferences in November of each year and will share this information with parents during conferences as well as during the home visits required by Head Start two times per year.

- 5. Lone Star ECC will at the request of parents, provide opportunities for regular meetings for parents to formulate suggestions and to participate, as appropriate, in decisions about the education of their children. The school will respond to any such suggestions as soon as practicably possible by: responding in writing via email or letter, in person, or via telephone.
- 6. At Lone Star ECC all teachers are highly qualified. In the event that a child has been assigned or has been taught for four (4) or more consecutive weeks by a teacher who is not highly qualified within the meaning of the term in section 200.56 of the Title I Final Regulations (67 Fed. Reg. 71710, December 2, 2002) Lone Star ECC will notify parents by:

sending home a letter explaining the highly qualified status with regulations.

- 7. Lone Star ECC will provide assistance to parents of children served by the school, as appropriate, in understanding topics by undertaking the actions described in this paragraph --
- the state's academic content standards,
- the state's student academic achievement standards,
- the state and local academic assessments including alternate assessments,
- the requirements of Part A,
- how to monitor their child's progress, and
- how to work with educators:

providing information during parent conferences in October and/or as requested by parent/teacher and holding an annual Title I, Part A Meeting at the beginning of the school year.

8. Lone Star ECC will provide materials and training to help parents work with their children to improve their children's academic achievement, as appropriate, to foster parental involvement, by: hosting an Open House event at the beginning of each school year and meeting with parents to discuss individual student needs throughout the school year.

9. Lone Star ECC will, with the assistance of its parents, educate its teachers, pupil services personnel, principals and other staff in how to reach out to, communicate with, and work with parents as equal partners in the value and utility of contributions of parents, and in how to implement and coordinate parent programs and build ties between parents and schools, by:

allowing parents to present information to staff during a staff meeting at the beginning of the school year.

10. Lone Star ECC will, to the extent feasible and appropriate, coordinate and integrate parental involvement programs and activities with Head Start. The school will also conduct other activities that encourage and support parents in more fully participating in the education of their children, by: Scheduling grade level programs, hosting family picnics, volunteering with field day, participating in campus scheduled events, hosting a Skills for School Success night, scheduling awards ceremonies, providing volunteer opportunities, joining PTA, etc. Parents are always welcome to join in activities before, during, and after school.

11. Lone Star ECC will take the following actions to ensure that information related to the school and parent-programs, meetings, and other activities is sent to parents of participating children in an understandable and uniform format, including alternative formats upon request, and, to the extent practicable, in a language the parents can understand:

campus website, marquee, sent in newsletters and school messenger.

PART III. SHARED RESPONSIBILITIES FOR HIGH STUDENT ACADEMIC ACHIEVEMENT

Lone Star ECC, in consultation with its parents, chooses to undertake to build parents' capacity for involvement in the school and school system to support their children's academic achievement, by providing the following opportunities:

- The campus will host an Open House night at the beginning of each school year to guide parents in ensuring student success.
- The campus will encourage parents to complete the volunteer application at the beginning of each school year in order to assist in a variety of aspects throughout the school year.
- The campus will utilize parents as volunteers in classrooms to support teachers with materials, mentoring, etc.
- The campus will incorporate the Lone Star ECC School-Parent Compact, distributed at parent conferences in October of each year.

^{*}Parents are always welcome to join in activities before, during, and after school.
