

## WHAT IS MECHS?

Mountain Education Charter High School is a non-traditional evening high school.

We have multiple locations across North Georgia, offering a full range of high school courses. All classes are in the evening and tuition is 100% free for students enrolled at MECHS full time.

All courses are mastery-based. There are no deadlines, so you can take as much or as little time as you need to successfully complete your coursework.

## WHO ARE OUR STUDENTS?

Students enroll at MECHS for a variety of reasons. Those who have dropped out of high school can enroll with MECHS and pick up right where they left off. Others may have gotten behind in school and need a way to catch up. Some have to work during the day to help support their families. A few of our students have children and need to take care of them during the day.

Whatever the reason, let Mountain Education help you build a better future with a high school diploma.

## MISSION STATEMENT

To provide a second chance opportunity to students across North Georgia to earn an accredited high school diploma in a student-centered, self-paced, evening public high school.

MECHS is committed to:

- partnering with local school systems, families, and community members to nurture educational excellence.
- engaging students in meaningful learning with personalized graduation coaching, preparing them for college or career.
- offering course credit recovery for students to stay on track for graduation.
- providing dual enrollment opportunities to jump-start the college experience.

## VISION STATEMENT

**The first choice  
for a second chance  
to build a better future  
through education.**

## STUDENT SUPPORT

Our certified faculty and staff are ready to assist you every step of the way, and a dedicated team of student services support personnel are on hand to ensure your success both while at MECHS and beyond.

Some of the ways we support our students:

- One-on-one Tutoring
- Free School Meals
- Travel Assistance Program
- Support Groups
- Attendance Reward Programs
- Career Fairs
- College & Career Counseling
- Workplace & Local College Field Trips
- Dual Enrollment Opportunities
- Mentor Program
- Life Action Plan
- Course Credit Recovery
- Title I Programs
- SPED & ESOL Services
- 1:14 Student-Teacher Ratio
- Social & Emotional Support

## CURRICULUM

Graduates of MECHS earn an accredited Georgia high school diploma and must complete all state requirements for graduation, including all mandated tests.

Courses are aligned with state standards and are administered using course software and textbooks with the guidance of professional, qualified, and certified coaches in a 1:14 teacher-student ratio.

MECHS is AdvancED accredited and all credits earned are transferable to any high school.
