

WMS PIM

PARENTS IN THE MIDDLE

Welcome to the 2022/23 School Year!

PIM would like to take this opportunity to reach out to our school community as we plan a direct-donation fundraiser. In an effort to raise funds for PIM activities for this school year as well as minimizes all of our "TO DO LISTS", we have decided to offer a simple and direct way to donate to our school and have 100% of your contribution support WMS activities.

**In the past, PIM has helped to support School-wide events put on by Alliance and other school groups,
Ice cream socials,
off-setting field trip costs or providing lunch at a field trip,
End of year activities and teacher appreciation**

Donations can be made via cash/check (made out to Region 14 with PIM and your child's grade level in the memo) or by Venmo @Helena-Gwiazdoski (please note your child and grade level in the note on Venmo. Cash/checks can be dropped off to the main office. The grade with the greatest participation by 11/15 will win a PRIZE!

WANT TO JOIN US? Please contact Mrs. Greene
