Principal's Phoenix Flyers:

Hello Families and Community –

This past week our **RAHS Green Energy Solar Car Team** had the honor of presenting in front of the **Port of Seattle Commission** at a public meeting at the **Museum of Flight**. Commission members were so impressed with the success of the team and all that they have accomplished over the last few years. Presenting to the commission were **Lexi Lee, Opal Heltzel, Hagen Rankin and Timothy Jou**. Great job students!

We also were honored this past week to host a tour and visit from the **San Diego County Department of Education**. Our students thoroughly impressed our visitors during the tour, highlighting many of our innovations and activities. Several students also joined in on a lunch panel to answer questions that the district had for us. A huge thank you to all of our student ambassadors including **Emily Batig, Lexi Lee, Jason Poon, Caleb Hyun, Lexi Best, Olivia Shih, Maddox Dawley, Hai Lin Truman and Alem Alem**.

Finally, a HUGE shout out to all of the **ASB Leadership members and Club Members** who were involved in all of the Spirit Week activities, Fall Festival and Homecoming. What a fun week full of laughter and spirit!

Have a wonderful week everyone!

PTSA Reflections Contest

The Raisbeck Aviation PTA is looking for art submissions for this year's National PTSA Reflections contest. The Reflections Contest is a themed, national contest. It encourages students to represent their school by expressing themselves through the arts. The theme this year is: "Show Your Voice!"

Students will compete in the High School Division for grades 9-12. Students can submit to more than one category but are only allowed one submission per category. The categories are: Dance, Film, Literature, Music Composition, Photography, and Visual Arts

Your contest submission, along with a [student entry form](#), must be completed and submitted by **Monday, November 29th**. After the PTSA has received all submissions, local artists will review the submissions and decide which submissions should advance to the state level. At the state level, students' submissions will compete against other high schoolers in the state. The winners at the state level will go on to compete nationally in Washington D.C.

Detailed entry rules can be found at www.wastatepta.org/events-programs/reflections under the Student Entry Rules Tab. Or you can view our PTSA's [Google Slide Presentation](#) which provides a more simple step-by-step overview of the Contest.

Any student with a disability defined under the Americans with Disabilities Act can submit to the Special Artist Division. More information can be found under the Special Artist Division Tab.

The PTSA has a small budget and can help purchase materials for any student in need. To request assistance, or if you have any other questions regarding the reflections contest, please email Raisbeckreflections@gmail.com.

Thank you,
