

2022-2023 BPS Head Students

- Get to Know Your BPS Head Students

Amber B6.2

I'm Amber from B6.2 and I am overjoyed to have an opportunity to be your new Head Student this year. I would love to get to know you all. Here is some information about me:

I spend most of my time sketching, however, I'm not the best at painting or other styles like charcoal art. I also spend time reading books such as quests and novels. One series that I enjoyed reading the most was called, '*The Unwanted's*'. I highly recommend it as a read.

Instead of just staying indoors, I also love doing outdoor sports such as football. Just recently, I actually competed against another school.

The subject for me that tops all is *Integrated Curriculum* because of the engaging activities we get to do. One of our topics is *Healthy Body and Healthy Minds*. I feel like spending time doing hobbies is a terrific way to improve your wellbeing, which is why I recommend that you do the things you like whenever you can.

Finally, this year as Head Student, I hope to make our school a better place; take risks whilst being a remarkable role model for all.

Angela B6.2

I'm Angela from B6.2 and I am delighted to be your Head Students this year. Here are some things about me by way of introduction.

In my free time, I enjoy dancing, mostly ballet and contemporary dance, but I am always challenging myself to try different styles too.

My preferred subject in school is *Literacy* because writing stories and articles is one of my favourite things to do. If you are interested in World War II novels, I would recommend *Resistance* which you can find in the library with the librarian's help.

This year, I hope that everyone will show enthusiasm in all areas of learning. Additionally, I would like to make this school eco-friendlier by working with our eco-community members. If we don't take action now, our environmental, world-wide crisis will only worsen.

Remember, you can always come to me for help and support so we can try and make our school a better place.
