## School Profile 2022/2023

### School Community

Frankfurt International School (FIS) was established in 1961 as a private, non-profit association to serve the international community by offering education of an excellent quality with English as the principal language of instruction. FIS is accredited by the New England Association of Schools and Colleges (NEASC). As one of the oldest and largest of Europe's international schools, FIS is known for its high academic standards and expansive campus facilities. The school offers a rich extracurricular program, and computing and instructional technology are also an integral part of the school. The facilities at all campuses are excellent and provide outstanding resources for learning.

### Our Students

The Class of 2023 has 146 students. The total current enrollment is 1775 students representing over 60 nationalities, with the largest numbers identifying as American (30%), Korean (19%), German (18%), British (6%), and Dutch (4%). Over 30 native languages are spoken within the school community. In Grades 9–12, the enrollment is 576 students with approximately 145 students per grade level. FIS graduates matriculate at universities across the globe with the majority of students attending institutions in the United States, the United Kingdom and the Netherlands.

### FIS Grade 9–12 Curriculum

FIS is a founding International Baccalaureate (IB) World School where roughly 90% of graduates pursue and receive the IB Diploma. Students who do not pursue the IB Diploma may opt to take IB Courses and be awarded a High School Diploma. There are no honors classes; the only tracked subjects in Grades 9 and 10 are Math and Foreign Languages. In addition to required coursework, students may pursue various learning opportunities. For example, FIS is a member of Global Online Academy, a consortium of independent schools whose mission is to offer intellectually rigorous programs in an online environment.

### Co-Curricular and Athletic Programs

Students in Grades 9–12 have access to a rich variety of co-curricular opportunities, including visual and performing arts, organized clubs, and school publications. Students compete internationally in 12 different varsity sports and international travel is also part of activities such as Model United Nations, Math Olympiad, Service Learning, music and theater exchanges.

### Class Ranking and GPA

Given the inherent rigor of the IB Diploma Programme taken by the vast majority of students, FIS does not provide a ranking of its students. The school uses a 7-point scale with GPAs weighted for the difficulty of their IB courses: an extra 1.0 is awarded for IB Higher Level courses and 0.5 is awarded for IB Standard Level courses.

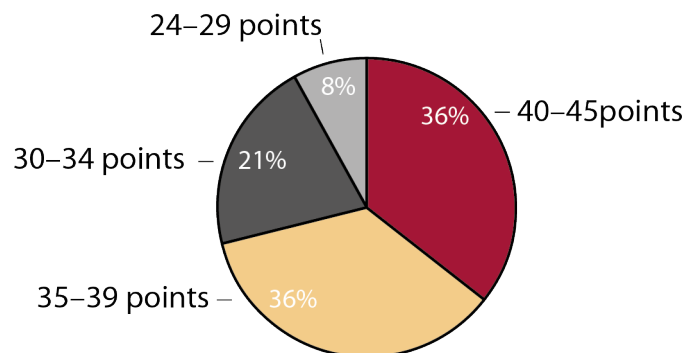

Grading Scale: 7 = A+ 6 = A 5 = B 4 = C 3 = D 2/1 = F

### IB Diploma Results for the Class of 2022

121 of 138 graduating students were IB Diploma Candidates.  
38 % received Bilingual Diplomas.
