

The Petroleum Valley Food Cupboard is accepting new clients in northeastern Butler County!

With fuel and food prices soaring, and food resources limited in northeastern Butler County, more and more people are finding it harder to put food on their table.

We can help those who live in Parker Twp, Allegheny Twp, Fairview Twp, Donegal Twp, Parker, Bruin, Petrolia, Fairview Boro, Karns City and Chicora.

Income-eligible households can receive canned and frozen meat, and other frozen foods, dairy items, cereals, fresh produce, canned vegetables, canned fruits, pasta, rice, and other non-perishable dry goods, plus snack foods and more. Income guidelines are below. Please call or text **724-679-6062** today to schedule an appointment.

Food is distributed on the 3rd Friday of every month, except Good Friday. All recipients will receive an appointment time along with 7-8 others. Parking is available on our property. All who come for food will use a shopping cart and 'shop' through our food pantry. If needed, volunteers will assist you with loading your vehicle.

Please share this information with others who might benefit from some extra food.
