

Student Announcements

10/31/22

Good morning! Please be sure to read the student announcements daily. There will be a lot of sports, clubs and miscellaneous information you may need.

Misc. News

Green High School will be hosting their annual Veterans Day Breakfast on November 11. If you would like to invite a veteran to attend this event, please fill out the following [form](#). If you have any additional questions, please see Mrs. Miller in room 212.

JUNIORS AND SENIORS

We are excited to announce that this week our Juniors and Seniors will be voting on four different themes for Green High School's 2023 After Prom. Over the next week all four themes will be revealed and final votes will be due Friday, November 3rd. You will get an email Wednesday with your choices to vote.

Our first theme is "Island Vibes". Just as it sounds, this After Prom will be full of relaxation and that feeling only a beach can bring. Imagine blue skies and sunshine, your favorite tropical getaway, maybe a sweet treat or two, and a night filled with beach themed games, activities, and prizes.

Our second theme is "The Roaring 20s". To be clear, the 1920s. An era of change and growth, you can expect to enter into a time machine and experience the fun, elegance, and beauty of this time period. Enjoy food, dancing, games and more as you experience a decade full of celebration.

Check your email Wednesday for an email with the voting in it. Check with Mr. Granito with any questions.

AI is every Monday, Wednesday & Thursday after school in the library.

Sports & Club News

Hey GHS!

The Respect Life Club believes in the value of all human life, from conception until natural death. With this in mind, we are dedicating the month of November to lifting up the elderly in our community. We will be writing cards and making gift baskets for a local nursing home on Friday, November 4th, and Friday, November 11th in Room 242 after school! Join us for some snacks as we work together to help those in need of some cheer as we get closer to the holidays!

Students and staff -- Thank you for your generous support of the book drive in support of the Blessings in a Backpack program. We have collected hundreds of books so far, and are excited to start distributing these to students in our district very soon. Just to let you know, this is an ongoing book drive, so we are still accepting new and gently-used books at any time. Have an old book at home? Drop it off in Room 242 or the library, and be sure to have us scan your QR code as a token of our appreciation. Thank you again for your generous support!

All Green high school boys interested in playing tennis, there are open tennis drills. Please see the schedule below for times & dates.

Student Services News

Green High School is offering the ASVAB on Thursday, November 3rd at 7:45am in Room 127.

This is the test used for military entry, but it's so much more! But it's also a powerful career exploration tool that can guide you to hundreds of civilian and military careers that match your strengths and talents.

Sign up for the test in the Student Services Office or use the link below.

The ASVAB is free and there is no military obligation for taking it. But, if you've considered the military, this test is "good" for 2 years and gives you some other options for your future.

Join us for the ASVAB on Thursday, November 3rd at 7:45am in room 127 and discover some exciting jobs and careers that you may have never considered.

College & military reps are hosting virtual meetings to provide more information about their college or branch and to answer your questions. This is a great opportunity to meet the representative that will be helping you with the process and for finding the benefits that their institution provides (i.e. scholarships, academic programs, and campus life). Even if you don't have time to stay for the entire meeting, at least stop in to meet the person.
