

Thank you for your interest in serving on the Board of Directors for the Kansas City Public Schools. Enclosed in this packet is information pertaining to the Kansas City Public Schools Board of Directors (School Board).

Serving on the KCPS Board of Directors

The Board of Directors meets regularly on the second and fourth Wednesdays of each month (there may be only one meeting in July, November, & December) at 5:30 pm in the Board Room located in the Board of Education building at 2901 Troost. Regular Board business meetings are held on the 4th Wednesday of the month and usually last 3-4 hours depending on the number and type of items on the agenda.

The Board of Directors also holds work sessions to study various district issues. The work sessions usually occur on the 1st or 3rd Wednesday of the month, and sometimes on Saturday morning. The full Board of Directors will determine when and if a special work session is to be called.

Three to four board members serve on one or more of the three (3) ad hoc committees; Government Relations, Finance & Audit, and Communications & Community Engagement. These meetings meet monthly at a time determined by the board members serving on each of the respective committees.
