## PPS / PES

Poquoson Primary reinstated their annual Book Character Parade on Friday, October 28. Students paraded around the PPS parking lot, donned with their costumes and books! It was also live streamed for those parents who could not attend. Check out our social media for videos!

PPS IPOP had visitors from the SPCA. Students got to learn about caring for animals and could hold and pet some!

PPS students continue to learn through hands-on STEM activities, including pumpkin investigations and bridge building!

PPS & PES both celebrated National Bullying Awareness Month. They had dress up days and an assembly which was very well received by the students!

PES continues to work on reading skills to strengthen our students who are "reading to learn!"

PHS Athletes went to PPS to read to our littles. They are great role models for our students and it was a great way to instill a love of reading!

Congratulations to our student of the month, Madeline Hatok and to our PHS Competition Cheer Team for heading to states! Good luck!!
