## Title 1 School-Parent Compact

### 2022-2023

Wilton Elementary is a Title 1 School. Title 1 Schools receive additional funding from the federal government because forty percent of their students are from low-income families. This funding allows Wilton to purchase additional staff to support the academic needs of students. Even with these extra resources, we need the support of families to ensure the success of each student. We believe this is possible through the shared effort of students, parents, and staff. Please read the agreement below carefully, discuss it with your child, sign it and return it to school.

We are committed to \_\_\_\_\_'s success in school and promise to work together to promote his or her achievement.
