Dear Parents: It's the time of year for the traditional school portrait at your school. If you would like to purchase a portrait of your child choose a package from the list and enclose payment in the envelope provided. Each student must have their own envelope.

You have a choice of background! Choose to wear colors that compliment the background. Dark solid colors work best.

Green clothing does not work well, it will contrast with the background and doesn't work with our system. If you do not choose a background, background #1 will be used. If your school has a yearbook the school may choose to use the same background in the yearbook for all students.
