SOLIDARITY FUND II

To support IC teachers, staff and operation crew

The target is \$1,500,000

Actual education
fee range for this
year is

***\$4,000
to
\$4,500**

Our students are
our most precious
treasure.

Our teachers
are our trusted
secondary
caretakers.

Our school is our
second home.

Our guards and security crew
form the school's greatest assets.
They ensure the safety, security,
and welfare of all students, faculty,
staff, and visitors. This has become
increasingly important in schools.

Our staff hold the
supporting role behind
the scenes to make
sure our school runs
smoothly and make a
difference every day.

**IC teachers, staff and operation crew deserve to be
compensated properly to afford a basic decent life.**

The school will operate this year under a **\$4M to \$6M deficit**.

Part of this deficit will be covered by the investment returns of our
restricted endowment fund.

The endowment fund is the reason why the school has been
able to continuously operate throughout this crisis. However the
endowment fund cannot sustain the school indefinitely.

WE NEED YOUR SUPPORT!

Any amount you contribute will have a great impact!
