Senior Meetings

Counselors are wrapping up individual senior meetings. Topics that were covered were credit requirements for graduation, transcript requests, post high school plans, Financial Aid and Scholarships.

Freshman Meetings

Counselors met with students in Freshman Seminar classes to discuss the Signs of Suicide curriculum. Students learned about Acknowledge, Care and Tell (ACT) and also did an activity identifying three trusted adults to talk to if needing support for themselves or a friend.

Counselors will begin meeting one on one with freshmen during second quarter. We will review the freshman survey that will be completed in advisory as well as discuss an Academic and Career Plan. We will discuss the transition to high school, talk about credits and graduation requirements, scheduling classes for next school year and the importance of getting involved in the school setting and community. Parents are welcome to attend. Meetings will take place during school hours.
