## 418 DRUG-FREE WORKPLACE/DRUG-FREE SCHOOL

### I. PURPOSE

The purpose of this policy is to maintain a safe and healthful environment for employees and students by prohibiting the use of alcohol, toxic substances, medical cannabis, nonintoxicating cannabinoids (including edible cannabinoid products), and controlled substances without a physician's prescription.

### II. GENERAL STATEMENT OF POLICY

- A. Use or possession of alcohol, toxic substances, medical cannabis, nonintoxicating cannabinoids (including edible cannabinoid products), and controlled substances before, during, or after school hours, at school or in any other school location, is prohibited as general policy. Paraphernalia associated with controlled substances is prohibited.
- B. It shall be a violation of this policy for any student, teacher, administrator, other school district personnel, or member of the public to use alcohol, toxic substances, medical cannabis, nonintoxicating cannabinoids (including edible cannabinoid products), or controlled substances in any school location.
- C. The school district will act to enforce this policy and to discipline or take appropriate action against any student, teacher, administrator, school personnel, or member of the public who violates this policy.

### III. DEFINITIONS

- A. "Alcohol" includes any alcoholic beverage containing more than one-half of one percent of alcohol by volume.
- B. "Controlled substances" include narcotic drugs, hallucinogenic drugs, amphetamines, barbiturates, marijuana, anabolic steroids, or any other controlled substance as defined in Schedules I through V of the Controlled Substances Act, 21 United States Code section 812, including analogues and look-alike drugs.
- C. "Edible cannabinoid product" means any product that is intended to be eaten or consumed as a beverage by humans, contains a cannabinoid in combination with food ingredients, and is not a drug.
- D. "Nonintoxicating cannabinoid" means substances extracted from certified hemp plants that do not produce intoxicating effects when consumed by any route of administration.

- E. “Medical cannabis” means any species of the genus cannabis plant, or any mixture of preparation of them, including whole plant extracts and resins, and is delivered in the form of: (1) liquid, including, but not limited to, oil; (2) pill; (3) vaporized delivery method with use of liquid or oil but which does not require the use of dried leaves or plant form; (4) combustion with use of dried raw cannabis; or (5) any other method approved by the commissioner.
- F. “Possess” means to have on one’s person, in one’s effects, or in an area subject to one’s control.
- G. “School location” includes any school building or on any school premises; in any school-owned vehicle or in any other school-approved vehicle used to transport students to and from school or school activities; off school property at any school sponsored or school-approved activity, event, or function, such as a field trip or athletic event, where students are under the jurisdiction of the school district; or during any period of time such employee is supervising students on behalf of the school district or otherwise engaged in school district business.
- H. “Toxic substances” includes: (1) glue, cement, aerosol paint, containing toluene, benzene, xylene, amyl nitrate, butyl nitrate, nitrous oxide, or containing other aromatic hydrocarbon solvents, but does not include glue, cement, or paint contained in a packaged kit for the construction of a model automobile, airplane, or similar item; (2) butane or a butane lighter; or (3) any similar substance declared to be toxic to the central nervous system and to have a potential for abuse, by a rule adopted by the commissioner of health.
- I. “Use” includes to sell, buy, manufacture, distribute, dispense, possess, use, or be under the influence of alcohol, toxic substances, medical cannabis, nonintoxicating cannabinoids (including edible cannabinoid products), and/or controlled substances, whether or not for the purpose of receiving remuneration or consideration.

#### IV. EXCEPTIONS

- A. It shall not be a violation of this policy for a person to bring onto a school location, for such person’s own use, a controlled substance which has a currently accepted medical use in treatment in the United States and the person has a physician’s prescription for the substance. The person shall comply with the relevant procedures of this policy.
- B. It shall not be a violation of this policy for a person to possess an alcoholic beverage in a school location when the possession is within the exceptions of Minnesota Statutes, section 624.701, subdivision 1a (experiments in laboratories; pursuant to a temporary license to sell liquor issued under Minnesota laws or possession after the purchase from such a temporary license holder).
