A CFA shall, under the provisions of this Agreement, serve a probationary period of one (1) continuous year worked in an eligible position in the unit, during which time the School District shall have the unqualified right to suspend without pay, discharge or otherwise discipline such CFA; and during this probationary period the CFA shall have no recourse to the grievance procedure, insofar as suspension, discharge or other discipline is concerned. However, a probationary CFA shall have the right to bring a grievance on any other provision of the contract alleged to have been violated. Individuals hired into positions posted as temporary or defined term or grant funded positions, shall not be eligible to complete a probationary period and attain seniority in this bargaining unit, regardless of the term of the position.

12.2 Posting of Job Openings

New positions will be posted for a period of not less than five (5) days.

12.3 Seniority List

Individuals who successfully complete their probationary period shall be added to the seniority list with a seniority date reflecting their first paid day of work in an eligible position in which they have been continuously employed.

12.3.1 **Seniority Tie Breaking:** The parties agree that when more than one CFA shares a seniority date, the CFA with the lower School District employee number shall be deemed senior.

12.4 Loss of Seniority

Seniority shall be lost due to resignation, discharge for cause, or failure to return from leave of absence upon the expiration of the period of leave approved by the School District.

SECTION 13 LAYOFF

13.1 Layoff Procedure

In the event declining enrollments, budgetary constraints or administrative reorganization make it necessary to discontinue certain positions, employees shall be laid off based upon job category. The District will consult with the DCCFA President prior to layoffs to determine if there are alternatives to layoffs. However, the District will make the final layoff decision. Probationary CFAs do not have rights to layoff. No non-probationary CFA shall be laid off while a probationary CFA is retained within the same job category.

The least senior employee with the job category subject to lay off shall be laid off first. The affected employee with 10 years or less of employment as a CFA, will be placed on a recall list and have recall rights for a period of two years from the date of layoff. The affected employee with more than 10 years of employment as a

CFA, will be placed on a recall list and have recall rights for a period of three years from the date of layoff. The District will maintain a recall list.

13.1.1 **Reinstatement:** Recall from layoff shall be based on job category. If a position within a laid off employee's job category becomes available, the most senior employee on the recall list within that job category will be recalled first. The District will contact the employee by U.S. Mail and email notifying the employee of the recall and the date employment is to begin. The employee will have two weeks from the date of the letter to accept the recall. Employees failing to respond to the recall notice within the two week period, declining a recall offer or failing to return to work on the date employment is scheduled to begin shall be considered resigned with no further recall rights and will be removed from the recall list. A CFA accepting a non-CFA position does not lose their right to recall.

13.1.2 **Contact Information for Notice of Recall:** CFAs placed on layoff are responsible for providing current contact information including, phone number, mailing address and email address to the human resources office to be eligible for recall notice. The laid off CFA shall have the obligation of updating contact information if it changes.

13.1.3 **CFA Job Categories:**

- Primarily supporting Latinx students and families
- Primarily supporting Somali students and families
- Primarily supporting African American students and families
- Supporting Indian Education students and families
- Other categories as determined by the School District

SECTION 14 DISCIPLINE

14.1 Progressive Discipline

The parties to this Agreement recognize both the concept of progressive discipline and the fact that accelerated disciplinary actions, including discharge, may be warranted in instances involving severe or repeated misconduct. A CFA may be suspended without pay, discharged or disciplined only for just cause.

14.2 Representation

A CFA who has been disciplined through a written reprimand and/or a letter of deficiency, and/or suspension without pay shall have the right to file a grievance under the grievance procedure. A probationary CFA may be disciplined or terminated and shall not be subject to the provisions of this article.

SECTION 15 GRIEVANCE PROCEDURE

15.1 Grievance Definition

A dispute or disagreement as to the interpretation or application of any term or terms of this agreement may be processed as a grievance as hereinafter provided.

15.2 Representative

ISD 196 may be represented during any step of this procedure by its designated representative. The CFA shall be represented during any step of this procedure by DCCFA. Only DCCFA shall process a grievance through any step, including arbitration, of this grievance procedure.

15.2.1 **Limitations:** Grievances will not be valid for consideration unless the grievance is submitted within 20 days of the date the grievance arose. Failure to file any grievances within such period shall be deemed a waiver thereof. Failure to appeal a grievance from one level to another within the time periods hereafter provided shall constitute a waiver of the grievance.

15.2.2 **Extension:** Time limits specified in this Agreement may be extended by mutual agreement.

- 15.2.3 **Days:** Reference to days regarding time periods in this procedure shall refer to working days. A working day is defined as all weekdays not designated as holidays by state law, except as otherwise specifically indicated herein.
- 15.2.4 **Computation of Time:** In computing any period of time prescribed or allowed by procedures herein, the date of the act, event or default for which the designated period of time begins to run shall not be included. The last day of the period so computed shall be counted, unless it is a Saturday, a Sunday or a legal holiday, in which event the period runs until the end of the next day which is not a Saturday, a Sunday or a legal holiday.
- 15.2.5 **Filing and Postmark:** The filing of service of any notice of document herein shall be timely if it bears a postmark of the United States mail within the time period, or is hand delivered to the office of the designated representative to the other party or is emailed to and received by the designated representative of the other party.

15.3 Adjustment of Grievance

ISD 196 and the CFA shall attempt to adjust all grievances that may arise during the course of employment of any CFA within ISD 196 in the following manner:

- 15.3.1 **Level I:** In the event that a CFA believes there is a basis for a grievance, he/she shall first discuss the alleged grievance with his/her supervisor. If the grievance is not resolved through these informal discussions, the supervisor shall give a written decision on the grievance to the parties involved within five days after receipt of the written grievance.
- 15.3.2 **Level II:** In the event the grievance is not resolved in Level I, the decision rendered may be appealed to the Superintendent or designee, provided such appeal is made in writing within five days after receipt of the decision in Level I. If a grievance is properly appealed to the Superintendent, the Superintendent or designee shall set a time to meet regarding the grievance, which meeting shall take place within ten days after receipt of the appeal. Within five days after the meeting, the Superintendent or designee shall issue a decision in writing to the parties involved.
- 15.3.3 **Level III:** In the event the grievance is not resolved in Level II, the decision rendered may be appealed to the School Board or designee, provided such appeal is made in writing within five days after receipt of the decision in Level II. If a grievance is properly appealed to the School Board or designee, the School Board or designee shall set a time to hear the grievance, which meeting shall take place within 15 days after the receipt of the appeal. Within 15 days after the meeting, the School Board or designee shall issue its decision in writing to the parties involved.

15.4 School Board Review

The School Board reserves the right to review any decision issued under Level I or Level II of this procedure, provided the School Board or its representative notify the parties of its intention to review within ten days after the decision has been rendered. In the event the School Board reviews a grievance under this Section, the School Board reserves the right to reverse or modify such decision.

15.5 Denial of Grievance

Failure by ISD 196 to issue a decision within the time periods provided herein shall constitute a denial of the grievance and the CFA may appeal it to the next level.

15.6 Arbitration Procedures

In the event that the CFA and ISD 196 are unable to resolve any grievance, the grievance may be submitted to arbitration as defined herein:

- 15.6.1 **Request:** A request to submit a grievance to arbitration must be in writing signed by the aggrieved party, and such request must be filed in the office of the Superintendent within ten days following receipt of the decision in Level III of the grievance procedure.
- 15.6.2 **Prior Procedure Required:** No grievance shall be considered by an arbitrator which has not been first duly processed in accordance with the grievance procedure and appeal provisions.
- 15.6.3 **Selection of Arbitrator:** Upon the proper submission of a grievance under the terms of this procedure, the parties shall, within five days after the request to arbitrate, attempt to agree upon the selection of an arbitrator. If no agreement on an arbitrator is reached, either party may request from the Bureau of

Mediation Services (BMS), pursuant to M.S. 179A.21, Subd. 2, a list of arbitrators selected by the Commissioner, providing such request is made within ten (10) days after request for arbitration. Upon receipt of the list of arbitrators, ISD 196 and DCCFA shall alternatively strike names from the list of arbitrators selected by the Commissioner until only one (1) name remains. This arbitrator shall decide the grievance and the decision is binding upon the parties. If the parties do not request an arbitrator from the BMS within the time periods provided herein, it shall constitute a waiver of the grievance.

15.6.4 **Hearing:** The grievance shall be heard by a single arbitrator and both parties may be represented by such person or persons as they may choose and designate, and the parties shall have the right to a hearing at which time both parties will have the opportunity to submit evidence, offer testimony, and make oral or written arguments relating to the issues before the arbitrator.

15.6.5 **Decision:** The decision by the arbitrator shall be rendered within a reasonable time period after the close of the hearing. Decisions by the arbitrator in cases properly before him/her shall be final and binding upon the parties; subject, however, to the limitations as provided in PELRA. The arbitrator cannot add to, delete, or modify the Agreement in any way and his/her decision shall be confined to the written grievance only.

15.6.6 **Expenses:** Each party shall bear its own expenses in connection with arbitration, including expenses relating to the party's representatives, witnesses, and any other expenses which the party incurs in connection with presenting its case in arbitration. A transcript or recording shall be made of the hearing at the request of either party. The parties shall share equally fees and expenses of the arbitrator, and any other expenses that the parties mutually agree are necessary for the conduct of the arbitration. The requesting party shall pay the cost of the transcript or recording.

15.7 Election of Remedies and Waivers

A party instituting any action, proceeding or complaint in a federal or state court of law, or before an administrative tribunal, federal agency, state agency, or seeking relief through any statutory process for which relief may be granted, the subject matter of which may constitute a grievance under this Agreement, shall immediately thereupon waive any and all rights to pursue a grievance under this Section. Upon instituting a proceeding in another forum as outlined herein, the CFA shall waive his/her right to initiate a grievance pursuant to this Section, or if the grievance is pending in the grievance procedure, the right to pursue it further shall be immediately waived. This Section shall not apply to actions to compel arbitration as provided in the Agreement or to enforce the award of an arbitrator.

SECTION 16 DURATION

16.1 Term and Reopening Negotiations

This Agreement shall remain in full force and effect for a period commencing on July 1, 2022, through June 30, 2024, and thereafter pursuant to PELRA, except that CFAs shall be paid at the basic salary set forth on the CFA's individual contract. If either party desires to negotiate a new agreement commencing on July 1, 2024, it shall give written notice of such intent no later than March 1, 2024. Unless otherwise mutually agreed, the parties shall not commence negotiations more than 120 days prior to the expiration of this Agreement.

16.2 Effect

This Agreement constitutes the full and complete written Agreement between ISD 196 and DCCFA representing the CFAs of ISD 196. The provisions herein relating to terms and conditions of employment supersede any and all prior Agreements, resolutions, practices, ISD 196 policies, rules or regulations concerning terms and conditions of employment inconsistent with these provisions.

16.3 Finality

Any matters relating to the current Agreement term, whether or not referred to in this Agreement, shall not be open for negotiation during the term of this Agreement unless the parties mutually agree.

16.4 Severability

The provisions of this Agreement shall be severable only if any provision thereof or the application of any such provision under any circumstances is held invalid, it shall not affect any other provision of this Agreement or the application of any provision thereof.
