

HEIGHTS CHRISTIAN SCHOOLS BREA CAMPUS

MAY 2025

Greetings Parents,

This is my last newsletter for the school year...I can hardly believe it! God's goodness can be seen all across this campus and I am so grateful. Thank you for another wonderful year!

Fourth grade families, you will be leaving our campus. I pray that you will keep Jesus in your heart and shine for Him wherever you go. Be a light to those around you! Whether you have been with us since pre-school or just started with us, you will be missed! Parents, thank you for partnering with us, and for trusting the Lord in His prompting to allow us to be a part of your family. We pray that God will continue to bless you.

Kindergarten Graduation and the 4th Grade Send Off are coming up, and we are super excited for both of those events.

Thank you for your kind words and gifts throughout the year, you are a blessing. I pray your summer is filled with fun adventures and some much needed rest. This year has been a blessing, and I can't wait to see what the Lord has next for our school family!

A very special thank you goes out to the Hawk Boosters! This was our first year with a booster club and it was a lot of fun. Our campus was blessed by your generosity, and we couldn't have done it without you. We already have ideas for next year...it's going to be fantastic!

Blessings,

Mrs. Carlos

May Character Trait

TELL THE WORLD

This month we will focus on telling others about Jesus through our words and actions. We are learning to let the world see Jesus living in us!

Shine a LIGHT!

But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, gentleness, self-control; against such things there is no law.

Galatians 5:22-23

SPIRITUALLY GROWING INDIVIDUALS

In our own words, we say, "Be Like Jesus!" As a Christian school, our mission is clear; we strive to educate students to know Christ personally, excel academically, think biblically, and positively impact their communities for Christ. Becoming like Jesus is a lifelong process and it is our joy and privilege to provide the students entrusted to us with lots of opportunities to accomplish just that.

Weekly chapels and daily Bible lessons are designed to challenge and encourage students in their faith, and also provide a opportunity for those who have not yet made a commitment to Christ to do so. The Bible is masterfully and purposefully woven throughout lessons in all subject areas to further solidify God as the Creator of all. Kids are kids, and becoming like Jesus is clearly a lifelong process, but not surprisingly, when visitors come to our school they often comment about our kids and the overall demeanor on campus. They sense something special that is not common everywhere. God's hand is upon our campus, and we celebrate all that He is accomplishing in and through us. What an awesome and mighty God we have!
