## MARCH 2025

### THE BIG FIVE: COMMUNITY PARTICIPANTS

The fourth of our Big Five Learning Results is: Community Participants. In our own words, we say, "Reach Out!" The official goal reads, "Graduates of Heights Christian Schools will be Community Participants who practice responsible citizenship and patriotism, and demonstrate the compassion of Christ by being sensitive to the needs of others and contributing to meet those needs (1 John 3:16-18). We work to build this ESLR into our students throughout the year. Sometimes this is done through grade level activities such as a class collecting food from the neighborhood and donating it to a local food bank or our first graders sending valentines to a senior citizens home and praying for them. Other times it is done on a school-wide basis such as Operation Christmas Child. Ultimately, we want our students to feel the need to care for others and to serve their community.

## PRINCIPAL SUTTON'S CORNER

### HCS-Ramona Choir Inspires Over 1,000 Neighbors at 2025 Mayor's Prayer Breakfast

On the morning of Tuesday, February 25, our very own HCS-Ramona Choir had the incredible honor of performing at the annual Mayor's Prayer Breakfast. With over 1,000 attendees present, these talented students delivered a moving performance that left a lasting impression on everyone in the room.

Their dedication and commitment were evident—not only in their performance but also in their willingness to arrive as early as 6:15 AM, demonstrating their passion and perseverance. In addition to this early morning event, the choir had been diligently practicing before school, ensuring they were well-prepared to represent Heights Christian Schools with excellence.

We are so proud of these amazing students for using their gifts to bless others. Their hard work and commitment to sharing their talents reflect the heart and values of Heights Christian Schools. A huge thank you to Miss Rozzi, the choir members, and their families who helped make this opportunity possible.

Let's continue to celebrate and support our students as they shine their light in the community!
