

MARCH 2025

HEIGHTS BUZZ

READING RACE ADVENTURE

We have embarked on incredible reading adventures, and our students did a fantastic job exploring new worlds through books! Throughout the month, we celebrated our literary journeys with our second annual bookmark contest, a delicious popcorn recess, and a lively dance party to recognize our hard work. On Friday, February 28, we held our traditional All School Character Book Parade, where students brought their favorite stories to life with creative costumes and big smiles. We hope this month has ignited a passion for reading and that the adventure continues.

As a school,
we read
2,182 hours!

Our cast of over one hundred students has been rehearsing since the beginning of January, and they are very excited for their upcoming performances. This enchanting musical will take audiences under the sea, where themes of friendship, loyalty, family, and community will be tested but ultimately prevail. Join us for performances on March 27-29 at the Whittier Community Theatre.

THE BIG FIVE!

Enriched Individuals

The fifth of our Big Five Learning Results is: Enriched Individuals. In our own words, we say, "Use Your Talents and Abilities!" It is an absolute delight to help young people identify their God-given talents and abilities, and to equip them with the tools they need to confidently use those gifts to glorify God. It is our goal to help students set realistic personal and academic goals and take personal responsibility for the learning process. As a result of technology, cooperative learning settings, special projects, fine arts, sports and extracurricular programs, students are provided with an abundance of opportunities to grow and develop skills in the following areas:

- **WORK AND STUDY**
- **RESEARCH**
- **COMMUNICATION**
- **CRITICAL THINKING**
- **GOAL SETTING**
- **TIME MANAGEMENT**
- **INTERPERSONAL**

God has blessed us with a quality, educational program that results in student achievement of the Big 5 Learning Results! We are so proud of each one of our Enriched Individuals!
