

# ~7TH ANNUAL~ THANKSGIVING MEALS

In collaboration with the district school social workers, the foods classes at De Pere High School will once again be preparing homemade Thanksgiving meals for the **SEVENTH** year for families in our district who have stumbled on hard times. Families are able to customize their meal and receive dinner rolls, mashed potatoes, two sides of their choice, ham or turkey, fruit salad and a dessert as part of this project. This year we are proud to prepare meals for **20 families** and are looking to raise money from staff and district family donations. Any little bit helps! Any donations that are above and beyond the cost of preparing the Thanksgiving meals are be given in the form of gift cards to help with food over Winter or Spring Break. Thank you for your time and donations, if able. If you have any questions please feel free to reach out to Sarah Hardy at [shardy@depere.k12.wi.us](mailto:shardy@depere.k12.wi.us). Thank you!
