COVID 19 Task Force Return to In Person Instruction and Continuity of Services Meeting Minutes

Date: 10/31/2022

Start Time: 1:32PM

Major Young lead the meeting. Began with introduction to ESSER requirement of Return to In Person Instruction and Continuity of Services requirement.

Krystal Lovato provided Purpose of ESSER III Program, Entitlement amount, and purpose of the meeting.

Introductions of Stakeholders and which area they represent.

Major Young shared the current RIPICS plan and where it is located on the ILTEXAS COVID 19 website. Requested everyone review the entire website and provide input.

Summary of Changes section - Proposed adding "Last reviewed".

RIPIC Plan Review section- Out of date and will be updated to reflect executive order. Major Young Proposed changes to include health needs of students AND STAFF. Proposed to match Continuity of Services. Proposed new 3 month review instead of 6 months in the Return to In-Person Instruction and Continuity of Services Plan Review. Projected dates are January, April, August, October.

Covid-19 Overview and Public Health Considerations Section – No Changes

Prevent and Mitigate Vaccines Section - Recommend changing verbiage of full vaccinated to up-to date.

Prevent and Mitigate – Masks Section – no changes

Prevent and Mitigate – Screening Section – Recommended to move "Before visitors are allowed on campuses, ILTexas will screen visitors to determine if the visitors have COVID-19 symptoms". Chief Jones to confirm question is removed Raptor system.

Prevent and Mitigate – Symptoms Section – No Changes

Prevent and Mitigate – Confirmed or Suspected Case of COVID-19 – STAFF Section- Discussed COVID-19 symptom and when the 5-day window begins. Opted to move forward with plan as it exists, day that the individual tests.

Prevent and Mitigate – Confirmed or Suspected Case of COVID-19 – STUDENTS Section – Discussed "ILTexas will restrict and not allow anyone on ILTexas property if they are experiencing symptoms or within the isolation period." Will confirm verbiage with Chief Jones. Confirmed removing "Nurse Barnes provides the detailed contact tracing report."

COVID-19 General Guidelines – Visitors Section – Confirmed removing verbiage.

COVID-19 General Guidelines – Travel Section – No Changes

Ensuring Continuity of Services Section – Discussed Student and Staff services. Went through how funds are to benefit students and staff. Requested feedback on social and emotional needs of staff and students and if stakeholders believe these meets are being met.

Major Young opened for questions. Charles Hairgrove wanted clarification on COVID 19 symptomatic forms. Discussed the system with Caitlin Madison. Confirmed leaving as testing date. Major Young reiterated the purpose of the meeting and when the ESSER funding meeting would happen in January.

Christy Walker (teacher) wanted to confirm date of next meeting.

No additional questions, meeting adjourned 2:06PM.
