Full Day Kindergarten Committee Meeting Notes
First Meeting 10/25/22

1. Committee members introduced themselves to one another
2. Committee members discussed the purpose and parameters of the committee, noting that it will provide support and advice regarding the feasibility of implementing full-day K in LMSD and a timeline.
3. Committee members reviewed the slides shared in the community meetings, reviewing their areas of focus, timeline and goals.
4. Committee members discussed how a possible survey, including its purpose, participants, goals, information being sought and how to ensure participation. They then formed a survey committee that will develop a draft on which the committee will provide input at an upcoming meeting.
