

# LEGACY

## MAGNET ACADEMY

### TECHNOLOGY INNOVATION DESIGN ENTREPRENEURSHIP

#### 6TH-12TH GRADE

LMA is a Middle/High School, serving students in 6th-12th grade, allowing students an extended opportunity to build relationships and explore their interests in Entrepreneurship

#### BOUTIQUE ENVIRONMENT

At maximum capacity in the initial phase of construction, LMA will host approx. 950 students, providing a small boutique school environment, with cohorts of approx. 130 students per grade level.

#### 6th Grade SELF-CONTAINED

All 6th grade classrooms will follow a self-contained model, meaning each group of students will be paired with 1 classroom teacher for all of their core content, allowing greater opportunity to form connections and build relationships.

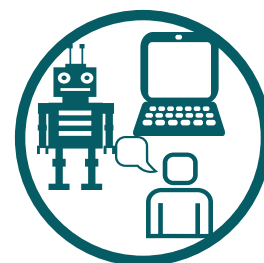

#### PROJECT BASED LEARNING

With PBL, students acquire deeper knowledge through active exploration of real-world challenges and problems. PBL is student centered, inter-disciplinary learning, which takes place over multiple days/weeks.

#### TIDE • CTE • IVC

Elements of TIDE will be infused in each course. Students will complete courses focused on specific TIDE based careers, will complete multiple CTE Pathways and will have opportunities to take college courses through our partnership with IVC.

#### EXTRACURRICULAR

LMA will not offer CIF sanctioned athletics on campus. Students will have access to a wide variety of clubs, competitive academic teams, and other activities based on student interest. Students will have the option to play sports at their home HS.

## CATCH THE WAVE OF INNOVATION!
