## A MESSAGE FROM CHIEF ADVANCEMENT OFFICER MIKE FADELLI '88

Dear Serra Community,

Always Forward! Once again, I am excited to share that Serra High School continues to move forward in many ways. Academically, athletically and spiritually, our Padres continue to lead the way in becoming men of respect, integrity, compassion and inclusion. These young men are becoming change makers in the community.

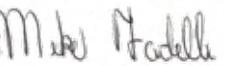

The Padre community continues to amaze me with its involvement in our great school. Our teachers, coaches, counselors and entire faculty are all focused on the 860 boys who call Serra their home. Our parents are engaged, volunteering their time, treasure and talents to make sure that the Padre experience for their boys is one that they will never forget. Our alumni and friends of Serra continue to step up and support our school in so many ways.

We have so much to celebrate at Serra. Our fourth Annual ThanksGIVEday 24-hr Day of Giving was once again extremely successful. This alumni and friends of Serra-driven event showcases how the Padre community comes together to support our current Padres and sets an example for our boys about the power of philanthropy. Our Fund a Dream event, which benefits tuition assistance, raised nearly \$1.2 million, a record amount in its 15-year history. This tuition assistance support directly benefits over 40 percent of the families at Serra. Without this tremendous support, there would be deserving young men who would not have the opportunity to attend our great school. These are just a few examples of how the Padre community came together to make it a memorable year for Serra.

Serra's motto, *Siempre Adelante, Always Forward*, continues to be on full display as we execute on a new Strategic Plan implemented in 2021. The plan, titled *Transforming Lives*, focuses on inspiring academic excellence, ensuring our future and living our mission. We are excited to announce the launch of our Always Forward Capital Campaign, the largest campaign ever at Serra High School. We set an ambitious goal of \$38 million, of which we are excited to announce that \$27 million has already been committed to the effort. It is the continued support of our outstanding community that gives us the belief that we will not only meet, but exceed our goal. We will continue to build off the momentum that Serra has as a leader in the community and provide a leading-edge educational facility for our current Padres and also for future generations of Padres.

We continue to be extremely grateful for the generosity and partnership of our extraordinary community. We appreciate all of our benefactors listed in our 2021-2022 annual report. Thank you for continuing to share the extraordinary mission of Serra High School.

Sincerely,

Mike Fadelli '88  
Chief Advancement Officer

## Bob and Juliane Sullivan Continue to Pay it Forward With Tuition Assistance

It is a lens filled with gratitude that Bob and Juliane Sullivan peer through when they remember the overwhelming financial hurdle it was to send their daughter, Rebecca, to Notre Dame Belmont 22 years ago. A few years later, their son, Sterling, and youngest daughter, Andrea, started their high school years at Serra and NDB. Catholic school tuition for three children was a lot for the couple to handle at the time.

“When our daughter started at Notre Dame, it was a real struggle,” Juliane remembered. “We were in a completely different financial situation and, like many families, it was a real stretch to consider how we would fit high school tuition into our family budget. I know firsthand what it feels like to want to send your kids to Catholic school, but worry that you won’t be able to afford it.”

Bob remembers Sterling’s freshman year at Serra. It was a large commitment, especially with rising tuition rates, but the family made the budget sacrifices necessary to make it happen. It was then that Bob and Juliane vowed to do more for those who cannot afford Catholic school tuition.

During those years, Bob and Juliane watched their children thrive in single-gender schools that welcomed healthy risks—challenging each of them in their unique ways. Their children’s academic and spiritual growth highlighted the need for more students to have the same opportunity to thrive in a nurturing, faith-based environment.

“Serra was the perfect school for Sterling,” Juliane said. “Theater was his niche. He thrived at Serra and became the man he is today there. When he started at Serra, he was a shy and reserved boy, but he blossomed into a confident man who was eager to try new things.”

At Serra, the Sullivans spent a lot of time volunteering for Tri-School Productions. Bob built extraordinary sets for 30 productions over 15 years, while Juliane focused on hair styling for the actors and props for the scenery. The “pay it forward” mentality quickly became a family motto, one they hope their adult children will expand upon and inspire others to embrace.

“Our culture obsesses over college,” Bob said, “but if you don’t get high school right, students won’t succeed in college. High school kids will thrive in college, if they are raised in a positive environment with a healthy peer group. They need to be mentored and encouraged to make good decisions and begin healthy habits.”

The “Fund a Dream” scholarship initiative started during Bob’s 2004-2007 tenure on the Serra Board of Regents. The Sullivan’s first major gift was in support of Serra’s first Capital Campaign in 2010, which led to the naming of The Jay and June Jordan Green Room, a theater space that is a tribute to Jay Jordan’s four decades of music and theater direction at Serra. As the years passed, they stepped up their scholarship support via an annual gift of one full scholarship each year.

In conjunction with the current capital campaign, Bob and Juliane decided it was time to become more proactive with the family’s charitable giving. This led to the idea of an endowed fund at Serra to support one full scholarship every year in perpetuity. The “Sterling Anthony Lavezzi Sullivan ’07 Pay it Forward Scholarship” has been created to “pay it forward” in recognition of the teachers and staff at Serra who played a critical role in Sterling’s transformation during his four years at Serra.

The “Sterling Anthony Lavezzi Sullivan ’07 Pay it Forward Scholarship” offers one Padre a full scholarship each year. The Sullivan family hopes it will support a culture that inspires past and future alumni to contribute to Serra as they succeed in their careers and family life. Those who have benefitted from their Serra experience can help future Padres who need assistance reap the benefits of an outstanding Serra education.

## Salman Shariat '04 Supports Serra for Nearly Two Decades

Since graduating in 2004, Shariat has consecutively donated to Serra's endowment fund. He said he will continue to give to it forever. Endowment funds are managed to provide a permanent source of income to support the teaching, research and public service missions of institutions like Serra. Charitable donations are the primary source of funds for endowments.

Salman Shariat '04 says he learned more than just English during his classes with Chuck Rapp and Ralph Stark. He is amazed that Stark taught Rapp when he was a Serra Padre, although he isn't surprised that the teachers' collective dedication to philanthropy continues to play a role in Shariat's life.

"Some of the best lessons in my life, I learned from my teachers at Serra," Shariat noted. "I remember how Mr. Rapp and Mr. Stark said that if every alumnus donated \$20 to \$30 each year, Serra would have no problem financially. They said that little things go a long way when repeated over time. That had such an impact on me, and it wasn't even English related."

As a student at Serra, Shariat had an overwhelming sense of pride when he thought about the Serra community. He noticed how many alumni teachers consistently supported their alma mater.

**"The Serra community was made up of alumni who were still actively involved," he remembered. As a student, you knew it was something you needed to support. People felt the camaraderie—the brotherhood. When I heard those teachers talk about giving back and how a small amount goes a long way, I knew I could commit to that."**

"I always give to the endowment," Shariat shared. "I have a finance background, and I realize that the largest educational institutions have the largest endowments. That gives them more money for research, programs, tuition assistance and an ability to retain top talent in teaching and coaching, counseling and administrative staff. I want to help Serra in that area."

A proud alumnus, Shariat reflected fondly on his time at Serra, which proved to be an unforgettable time in history. He was a freshman when the World Trade Center terrorist attacks occurred on September 11, 2001. It also was the same time period that famous Serra alumnus Barry Bonds '82 broke Major League Baseball's all-time single-season home run record with 73 home runs in 153 games. A year later, Tom Brady '95 made his first Super Bowl appearance as a second-year quarterback in 2002. Brady led the 14-point underdog New England Patriots to a shocking victory over the St. Louis Rams and earned Super Bowl XXXVI MVP honors.

"I will never forget when Dr. Smiley simply wrote the date 9/11 on the board in theology class," Shariat recounted. "He said, 'We are going to pray in class today. And this date is one you will never forget.' Lessons around that historical event helped us to keep life in perspective."

Shariat also remembers that within a two-month period during his sophomore year, Bonds and Brady came back at different times to attend Serra rallies. "I remember both of those rallies so vividly," he said. "I'm still amazed that two of the greatest athletes of all time found time to return to Serra—that says a lot about Serra and what it means to its alumni."

When he was a Padre, Shariat played soccer and crew. He accelerated in honors and AP classes, and he went on to study at Santa Clara University. Today, he owns a property management company, Sutro Property Management, in San Francisco.

# Endowed Scholarship Funds

Serra's Named Endowed Scholarship Funds exist to honor families and loved ones by supporting Serra's financial aid program in perpetuity. Each year, these funds accrue interest on their principal amounts, and scholarship awards are given to deserving families. This year, these funds contribute to financial aid for our Padres. We are grateful to the Serra families who have set up these funds and to the scores of alumni, parents and friends who have generously contributed to building them over the years.

# Fund a Dream Scholarship Benefit

Serra Padres are thoughtful, accomplished young men who value their Serra experience. The Fund a Dream Scholarship Benefit assures that each young man who dreams of becoming a Padre will have an opportunity to be part of Serra, regardless of his family's ability to afford tuition. While the pandemic made this year's physical event impossible, our virtual event raised more than \$730,000 proving that, even in difficult times, our community turns out to support this incredible cause. To date, Fund a Dream has raised more than \$5 million for financial aid for Serra's deserving young men. Anyone interested in attending the 2022 Fund a Dream, please contact Chief Advancement Officer Mike Fadelli '88 at 650.573.9935 x6154, or email [mfadelli@serrahs.com](mailto:mfadelli@serrahs.com).

# Memorial Endowment Fund

A memorial gift to Serra can help to perpetuate the values that guided a loved one's life. Gifts may also honor a person during his or her lifetime, or commemorate a significant event. Your thoughtful donation becomes a living memorial that touches the lives of our students. All those listed in our memorial book are remembered during a monthly Mass offered in the school chapel. Memorial/honorees are listed in blue, followed by the names of donors.

## Serra's Memorial Endowment Fund

A gift to Serra's Memorial Endowment Fund can perpetuate the values and ideals that guided a loved one's life. Gifts provide a tribute in memory of a loved one's passing, or may honor a person during his/her lifetime.

When a gift is made, his or her name will be entered into the Serra memorial book. The honoree will also be remembered with an acknowledgement card sent to the family. All contributions to the memorial program help fund tuition assistance for deserving families, assuring the continuance of Serra's legacy of inclusiveness and diversity.

For more information, please contact:  
Chief Advancement Officer Mike Fadelli '88 at [mfadelli@serrahs.com](mailto:mfadelli@serrahs.com)

# Legacy Gifts

In the 2021-2022 school year, 65 Serra alumni gave the school their greatest gifts— their sons. We would like to acknowledge and thank these alumni for entrusting us to develop their sons into young men of respect, integrity, inclusion and compassion. We encourage all local alumni to give their sons what they received years ago—a Serra education.

# THANKSGIVEDAY NOVEMBER 17

[WWW.SERRAHS.COM/THANKSGIVEDAY](http://www.serrahs.com/thanksgivingday)

We are nearing our fifth annual ThanksGIVEday. This year, more than ever, we need your support. Our focus at Serra continues to be providing a transformative experience that builds men of faith, virtue, leadership and philanthropy. Teaching our students the rewarding privilege of giving back is fundamental to their overall high school experience. As we have seen all too well in 2022, we need our future leaders to feel the responsibility to give to others in need. On our fifth annual ThanksGIVEday, we hope to have community support to celebrate Serra and offer contributions to better our programs now and in the future. **Mark your calendars for November 17, our 24-hour day of giving, or plan to make a donation ahead of time to our ThanksGIVEday drive.**
