Director's Message

Dear KIS Families,

This weekend, we celebrated the graduating class of 2021. The weather cooperated with us, and we held the graduation ceremony outside on the field. It was a beautiful ceremony with some very nice speeches from students and staff. We are extremely grateful that we were able to hold this event at the school and recognize all the work and effort that has gone into a challenging year for our seniors.

We wish them the best, as they embark on new adventures around the world. We expect great things from these students. Congratulations to the class of 2021!!!

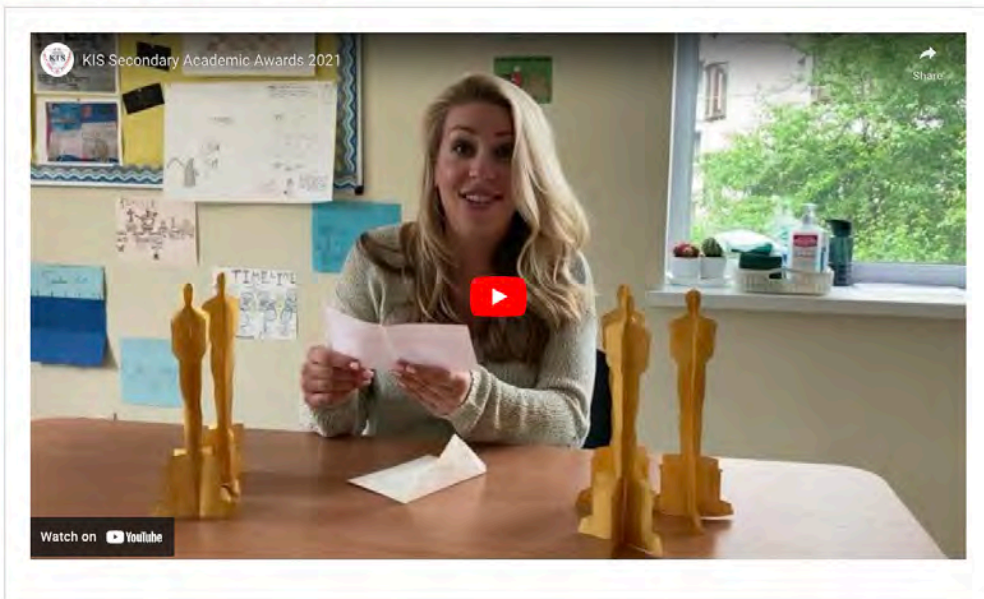

If you missed the ceremony, you can still watch it on our [YouTube channel](#). **Later this week, we will publish a special Graduation 2021 issue of the Kozak Korner.**

We are getting closer to winding down the school year. Elementary concerts are coming up, as well as Art Appreciation week. Take a look to see what is going on, as we finish up this school year!

Sincerely,

Luke Woodruff
Director
Kyiv International School

2021 - 2022 School Year

May 15, 2021

As we look to the 2021-22 school year, KIS is planning to bring ALL STUDENTS back to the school campus and shift our school schedule to reflect previous years.

There are a number of things to consider when doing this and we want to make sure that everyone understands some of the considerations made by the school to make sure we can do this as safely as possible.
