

Edward Neill Elementary School

Each Student. Future ready. Community strong.

Burnsville-Eagan-Savage School District 191 is a future-forward school district creating barrier-free pathways for learning for everyone in our community. We believe learning is a lifelong pursuit, and create programs, services and opportunities that inspire this belief.

My name is Lyle Bomsta and I am the proud Principal of Edward Neill Elementary! Neill is a wonderful neighborhood learning community. As a school and district, we are always learning and improving ourselves to better meet the needs of our students. We are excited to partner with you in your child's learning experience — maximizing their academic, social and emotional growth making sure each student is future ready and community strong!

ACADEMICS

Pathways

At the elementary level, our unique Pathways approach to learning excites students and gives them a glimpse into their future by embedding rich experiences in areas including arts, engineering, entrepreneurship, and health and wellness. Pathways allow students to wonder and reflect on what's next in their educational journey.

Gifted and Talented

Advanced Learning is a valued part of the One91 learning experience, and is guided by our commitment to equity, access and academic rigor. Our inclusive identification system ensures that these opportunities are available to every student in grades 2-5 across all our elementary schools.

Advanced Learning instruction focuses on helping our students to be future ready by embedding into our instruction the 4 Cs of 21st Century Learning: Communication, Collaboration, Critical Thinking and Creativity. Research projects focus on inquiry and creating solutions to real-world problems.

Core Areas of Learning

Students receive a well-rounded learning experience that includes rigorous literacy, math, social studies and science instruction, as well as time set aside to meet individual student needs called What I Need (WIN) time. All students also participate in specialist classes including music, art, digital learning and physical education.

STUDENT EXPERIENCE

PBIS

We are an award winning PBIS Exemplar School! At Edward Neill, we create and sustain a positive learning community in which all staff and students can succeed academically, socially, and emotionally.

All District 191 schools use Positive Behavioral Interventions and Supports (PBIS) as a way to teach schoolwide expectations and to let students know when they have met those expectations.

School Activities

Part of being successful in school is having the opportunity to be engaged in clubs, sports or other activities outside of the classroom. A few examples are: Safety Patrol, Peer Helpers, Computer Club, Chess Club, Student Council, Science Fair, Soccer and more are clubs and activities that take place during the day and some are before or after school.

We're All-Stars!

Edward Neill Elementary is the home of the All-Stars! Being an All-Star is our way to explain to students how their individual talents, skills, and their whole self is something that we value as a learning community as we all work together to Succeed Together, Act Responsibly and Safely.
