Attendance + Engagement = Success!

Ohio schools must report student absences as part of House Bill 410. Schools are required to develop Absence Intervention Plans for students who exceed absence limits outlined in the law. Families will receive auto generated letters as notifications from the district indicating the number of hours your child has missed in accordance with these laws. Absences exceeding 38 hours in a month, or 65 hours in a year will require medical documentation in order to be considered excused. Should you have an ongoing medical concern, please contact our office.

Excessive Absence is defined as (1) absent 38 or more hours in a month with or without an excuse or (2) absent 65 or more hours in a year with or without an excuse

Habitual Truancy is defined as (1) absent 30 or more consecutive hours without a legitimate excuse, (2) absent 42 or more hours in one month without a legitimate excuse, or (3) absent 72 or more hours in one year without a legitimate excuse.

*Hours also include total number of minutes tardy to school and early dismissal.

We go out for recess when the wind chill is **19 or above**. Please be sure your child is dressed for the weather. This includes: warm coat, boots, gloves, hat, etc. Please label your items.

If you are in need of winter weather attire, please contact Mrs.

Schaefer for assistance.

Arrival and Dismissal Safety and Reminders

Please follow the guidelines below to ensure safe arrival and dismissal for all:

- Remain in your car during arrival and drop off. If you need to exit your car, please pull up to the gym so as to not hold up the line behind you.
- Arrange for your child to exit or enter from the passenger side along the sidewalk.
- At dismissal, our south facing doors are only intended for families who walk home from school. Adding additional traffic on Bayes creates unnecessary congestion and an extremely unsafe situation for our families and neighbors. It also blocks residents from accessing their driveways.
- Review important pedestrian safety with your children including awareness of surroundings, looking left-right-left, use of sidewalk and crosswalks and crossing guard. [Click here for more information.](#)
- Follow all traffic rules and signs.
- Students who wish to play on the playground after school **must** be supervised by a parent/guardian. The playground is closed when it is being used by our YMCA aftercare program. This is usually between 4pm and 5pm, although it can vary.
- Be sure your child knows how he/she is getting home daily, and keep it consistent. If you have a change, please call our office before 2:30pm.
