Careers E-Bulletin

Issue 4 – 4 November 2022

Y10 – Y13 Morrisby Online Careers Profiling

I am delighted to confirm that we are again offering the Morrisby Career Profiling assessments to students in Y10 – Y13. The online assessments evaluate the student's strengths and provide a visual representation of their Aptitudes, Interests, Work Style, Personality, Priorities, Learning Style and Study Interests as well as suggesting potential career options. If you would like your child to take the assessment, please visit <https://app.morrisby.com/morrisby-pay?passedCode=p6263N> On receipt of payment (£25 plus VAT) Morrisby will email you an access code which your child can use to take the assessments at a time to suit them. Further information is available at <https://www.morrisby.com/>

Y8 – Y13 Immersive Summer Work Experience

InvestIn have just released their summer work experience programmes for 2023. These immersive experiences, in London, will give you the opportunity to work, e.g. alongside doctors in a London hospital, argue a case in the Supreme Court, trade the stock market in a skyscraper, explore a Boeing jet with aerospace engineers and much more! Experiences are available in a range of areas, e.g. Lawyer, Architecture, Artist, Dentist, Fashion Designer, Filmmaker, Forensic Scientist, Journalist, Political Leader, Writer, Video Game Designer, Vet, Doctor, Investment Banker, Engineer, Doctor.

There is a charge for these courses but if you book soon you could receive a 15% discount. Alternatively you can use the code KINGSMAC10 to receive a 10% discount. Further information can be found here -

Y9 – Y13 Careers in Occupational Therapy

Occupational therapists work with people to help them live their best life at home, at work and everywhere else. It's about helping people to do the things they want and have to do. That could mean helping them overcome challenges learning at school, going to work, playing sport or simply doing the dishes. Everything is focused on increasing independence and wellbeing. Does this sound like the career for you?

Take a look at RCOT, the Royal College of Occupational Therapists at <https://chooseot.co.uk/> to find out more.

Y9 - Y13 – Explore Green Careers Webinar

Monday 7 November at 4.30pm

Energy Consultant, Environmental Engineer, and Ecologist are just some of the green jobs that can help the environment. Join this session with Tour Radar to hear more about careers in ecotourism and how their Head of Sustainability got into the environmental industry. Sign up on your Unifrog Homepage.

Y9 – Y12 Demystifying Oxbridge Webinar

Thursday 10 November at 4:30pm

Are you thinking of applying to the Universities of Oxford or Cambridge? In this session, Jon Datta from the University of Cambridge will look at the application process and what it is like to be an Oxbridge student. Jon will also introduce you to supra-curricular activities and why they are so important. Sign up on your Unifrog Homepage.

Y9 – Y12 Why study at a US College in Europe? Webinar

Monday 21 November at 4pm

Have you ever thought about studying at a US college based in Europe? This session will help you understand all the benefits of an American degree, such as flexibility in your academic study, world-class teaching, and excellent career prospects, which you can gain whilst living in a beautiful European city. Sign up on your Unifrog Homepage.
