Family Access Online Verification Instructions

NOTE: For instructions on updating forms that were previously signed, scroll down to the third page.

In an effort to streamline registration and improve efficiency, the Shawnee Mission School District is requesting that families verify information for each student in your household and make any necessary changes to address, phone numbers, emergency information and health information online. Changes in address and primary phone number must be approved by the school’s office.

*If you have more than one student, you will need to complete Online Verification for each student.

Two key pieces of information:
- You must click at the bottom of each page to fully complete that step.
- You must click at the very end to submit your completed form.

To complete Online Verification:

1. Login to Skyward Family Access
   b. In Family Access, click the Home tab, then click on the message Go to Annual Online Verification for (student name) to begin the process.

2. Verify Student & Family Information
   a. Begin by clicking on Student Information to review the student’s information.
   b. You are just reviewing and confirming. If a change needs to be made, you will make that change on the Student Info tab, but it’s best to wait to make changes until you are done verifying and clicking Complete Step ___ on all Steps 1a-1e.
c. Continue in this manner until all of Steps 1a - 1e, have been reviewed.

You must **Click the Complete button** at the bottom of EACH page!

Once Steps 1a-1e have been completed, you will be prompted to complete the other steps regarding Approvals and Agreements, the Children’s Online Privacy and Protection Act (COPPA), Health History, Medication Permission, the optional KSDE Household Economic Survey, and for select grades, the KCTC form. For older students, an Athletic Packet is required for those participating in Athletics.

**NOTE:** On Health History and Medical Permission forms, if you leave the form in the middle of it, you will lose all your answers. You must complete them once you start.

**NOTE:** A green check mark will appear next to the areas that are completed. If you do not have green check marks, you need to go back and click Complete at the bottom of that step.

4. Final Step – Remember to click Submit!

**NOTE:** If Submit Annual Online Verification is grayed out, continue with the next page.
If Submit Annual Online Verification is grayed out, you may have clicked on the final step...

without clicking **Complete Step ____ and move to Step ____** at the bottom of the page. You must click **Complete Step ____”** at the end of each Step where you made a change.

To correct this, simply look for the step that does not have a green checkmark. Go back to this Step and click **Complete Step ____** at the bottom.

Then click Submit Annual Online Verification.
