November, 2022

Dear Community Member:

Ellington Recreation is excited to announce that our very popular, highly attended youth basketball program will be returning once again to offer our community much needed recreational opportunities during our colder winter months.

Not unlike many other industries, we are experiencing a variety of inflationary costs and we would love your financial support to help us continue to provide the best possible experience for our young Ellington athletes.

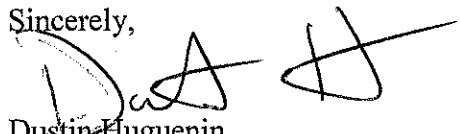

In appreciation of your contribution, we will prominently display your business name or logo on a business banner that will be hung from the scorer's table at every home game in every gym in Ellington, which will provide great exposure for your business.

As an additional showing of gratitude we will include your logo on our newsletter that is distributed to over 1,000 Ellington families every month.

As the winter season is not far away, in order to guarantee your sponsorship before the start of the season, please complete and return the enclosed (attached) form and return with your check to our office by December 12, 2022.

Thank you for your support and we look forward to seeing you at the courts!

Sincerely,

Dustin Huguenin
Director
