Normally the type and size of the function will dictate the time requirements. The following are the recommended booking procedures.

- Groups of 25 or more – 10 working days

Gaurantee

- We require a final count **two** working days before the event. This is your gaurantee.
- The final billing will be for the number gaurantee or the actual attendance, whichever is greater
- Please give us as much advance notice as possible, if a cancellation becomes necessary. We normally can avoid any charges unless your catering has required special products or staff preparation time. Each situation will be reviewed seperatly.

- There is an added labor charge for all functions scheduled to begin before 9:00am or after 2:00pm or on days when school is not in session, such as weekends, holidays and vacation breaks.
- Floral or decorative centerpieces and table decorations will be the responsibility of the customer. Food Service will arrange the flowers at an additional charge if requested.
- Some items may not be available during the school day.
