FEE CATEGORIES

A. Group I - Civic Center (Free Use)

Community organizations shall be granted free use of facilities at a time convenient to school operations if no admission fee or contribution is collected OR where such monies are used for benefit of district students or for charitable purposes. Included in, but not limited to, this category are District/School related meetings or functions, school sponsored groups or clubs, booster clubs, in service programs, periodic meetings of non-profit youth serving groups such as Boy Scouts, Girl Scouts, senior citizens' groups, veterans' organizations and Adult Education programs. Groups or organizations which allow the district use of its facilities at no cost may be classified as Group I. Users which do not require any setup and do not cause the district to incur any direct or indirect costs may be granted free use in the district's discretion.

Uses at times other than normal hours of operation at district facilities will necessitate charges for supervision.

B. Group II – Public, Non-Commercial, In-Community Organizations, Non-Profit Organizations (Minimal Fees)

Non-Profit, Community organizations or groups which are not included in Group I and which are **not commercial** in nature may use facilities on a **minimum charge basis**. Groups not qualifying as community organizations but organized for educational purposes may qualify for use of facilities on a minimal charge basis if no admission is charged or contribution collected.

Included, but not limited to this category, are community organizations where dues or fees are charged, parks and recreation departments, elementary school districts, community colleges, state colleges and universities, city, county, and state agencies, county officials associations, home-stay programs, little leagues, baseball, softball, soccer, and football leagues.

C. Group III - Private Community Organizations (100% Fee)

Organizations, other than those included above, which are local in nature and are engaged in recreational, educational, political, economic, artistic, civic or moral activities, and which conduct their meetings for their own membership only and/or that charge admission or fees, and spend the money for other than charitable or district purposes will be charged direct costs, as defined by Education Code section 38134, subdivision (g).

Included, but not limited to this category are private dance groups, private educational agencies or institutions, churches, local businesses or industrial organizations and service clubs.

D. Group IV - Commercial (Commercial Rate)

Functions of commercial organizations or groups, or functions where admission fees are charged and contributions are solicited and the net receipts are not expended for the welfare of the district students or for charitable purposes, regardless of whether the organization, person or group advertises or promotes the function or restricts attendance, shall be charged fair rental value, as defined by Education Code section 38134, subdivision (h)

Included, but not limited to this category, are functions such as dances conducted as profit-making ventures, dealers' exhibits, sporting shows, commercial sales, or promotional activities, and fundraising enterprises of all kinds where large numbers of people will attend or substantial profits will accrue.

Proposals by commercial organizations for use of facilities will be carefully weighed by the Superintendent or designee.

For activities of exceptional nature where large profits are anticipated, additional fees may be established by the Superintendent or designee for such use at the time when the request for the use of school facilities is submitted.
