5pm

Attendance: Jodi Rees, Sheila Stark, Jeff Christensen, Victoria Warr, Brian Heap,
Kelland Davis

Sign Ups from SEP: None

Staff Development and Reading Achievement Plans: No longer a separate requirement from the School Improvement Plan.

State of the School Address: DIBELS composite scores for the beginning and middle of year presented and discussed. Attendance average of 95% on any given day. 13 chronic absentees, 20 no absence/no tardies, 59 no absence. Need to allocate \$2000 software and \$3000 STEM. DIBELS suggested for software, teaching materials for STEM. Currently, six tutors three days per week for half an hour each class.

SIP:

Teacher Input: Math and Reading, Fluency, Behavioral Aspect, Basics, and Quality over Volume.

Principal Input: Reading Proficiency, Keep a STEM goal, Math (possibly a Staff Development of \$7500 for Comprehensive Math Instruction), MTSS.

Parent Input: Read 180, Staff Buyout for Homework Helper/Learning Lunch/Student Advocate or similar intervention for struggling students to aid proficiency goals, Scatter Group Training for the most effective use of Tier 2 instruction to aid proficiency goals.

March 25th Learning First final SIP due. Meeting March 13th will decide goals and Land Trust funds.
