Section 6. Claims Against the School District: Any description of insurance benefits contained in this article is intended to be informational only and the eligibility of any employee for benefits shall be governed by the terms of the insurance policy purchased

by the District pursuant to this article. The District's only obligation is to purchase an insurance policy and pay such amounts as agreed to in this article, and no claim shall be made against the District as a result of a denial of insurance benefits by an insurance carrier.

Section 7. Flex Benefit Plan: All employees will have access to a flex benefit plan addressing insurance, medical, and child care benefits.

- c. Dues for membership in professional organizations related to the employee's position.

ARTICLE VI LEAVES OF ABSENCE

Section 1. Sick Leave:

Subd. 1 Earned Sick Leave: Eligible employees shall earn sick leave according to the schedule below which is based on the employee's number of scheduled work days:

	173-185 Work Days	186-200 Work Days	201-220 Work Days	221-239 Work Days	240+ Work Days
Number of Sick Days Will be converted to hours per the employee's work day	9	9	10	11	12

Part-time employees shall be credited with a pro-rata number of sick leave days/hours. However, if an employee leaves the District without having earned, on a pro-rated basis, the number of sick leave days the employee has used, the District shall reduce the employee's final pay check for any unearned, used sick leave days.

Subd. 2. Accumulation: Unused sick leave days or pro-rata days may accumulate to a maximum credit of one hundred and eighty (180) days (1440 hours) of sick leave per employee. The yearly allowance shall be in addition to the total accumulation of the available days as defined by this subdivision.

Subd. 3. Use: Sick leave shall be allowed by the District when an employee's absence is found to have been due to illness which prevented his/her performance of duties on that day or days. Medical and dental appointments should be scheduled outside of the workday whenever possible. Employees may request approval for use of sick leave in one (1) hour increments through the District leave system.

Subd. 4. Approval: Sick leave pay shall be approved only upon submission of such request through the District's leave approval system.

Subd. 5. Medical Certificate: In an absence of personal illness of three or more consecutive working days, the District may require an employee to furnish a medical certificate from the attending physician as evidence of illness and/or disability, indicating such absence was due to illness, in order to qualify for sick leave pay. The District may require an employee, who has taken sick leave for his/her own illness and/or disability, to furnish a fitness for duty certificate prior to the employee's return to work. In the event that a medical certificate and/or fitness for duty certificate will be required, the employee will be so advised.

Subd. 6. Use: . An employee may use personal sick leave up to the amount accumulated for serious illness of the employee, or the employee's spouse or child. An employee may also use sick leave not to exceed five (5) days (40 hours) per year for serious illness involving the employee's parent, brother, sister, aunt, uncle, niece, nephew, grandparent, grandchild, spouse's parent, or person residing in the employee's household. In extenuating circumstances, an employee may make an additional request for use of sick leave and/or an extension to the five (5) day limit to the Superintendent/designee. An employee may also use sick leave in accordance with Minn. Stat. 181.9413 (2018) as amended (see district website, Human Resources, for a complete description of sick leave).

Subd. 7. Childbirth/Adoption: An employee giving birth shall be able to use Accumulated Sick leave for the employee's duty days during the six to eight continuous calendar weeks (doctor's normal prescribed time period of disability due to childbirth) following the delivery of the child. An employee adopting a child may use up to six (6) continuous calendar weeks/30 continuous days of accumulated sick leave following the adoption of a child. Non-duty days, such as breaks, holidays, summer and weekends are included in the determination of the six to eight continuous calendar weeks. Accumulated Sick Leave may not be used on non-duty days.

Up to ten consecutive accumulated sick leave days may be granted to an employee whose spouse gives birth immediately following the birth of the child and to the adoptive parent following the adoption of the child. Non-duty days such as breaks, holidays and summer will be considered in the determination of the

number of accumulated sick leave days granted for reasons of childbirth or adoption.

Subd. 8. Extended Leave of Absence: When sick leave has been exhausted, the Superintendent shall be authorized by the order of the School Board to grant an extended leave of absence without pay.

Subd. 9. Termination: Upon termination of an employee's employment for any reason, all sick leaves, current or cumulative, shall be immediately and automatically canceled unless the employee qualifies for payment of unused sick leave per any other article in this document.

Subd.10. Sick Leave Turn In: Eligible employees (employees regularly employed for thirty (30) hours or more per week in a regularly scheduled position), at the time of open enrollment, will be able to turn in up to five (5) sick days at his/her daily rate of pay to distribute among benefits (health insurance, dental insurance, supplemental life insurance, accidental death or dismemberment insurance, long term disability insurance, flex) or cash. An employee who has thirty (30) days of accumulated sick leave may turn in up to three (3) future days of sick leave. An employee who has sixty (60) days of accumulated sick leave may turn in up to five (5) future days. An employee who has ninety (90) days of accumulated sick leave may turn in up to seven (7) future days.

Subd. 11. Donation of Sick and/or Vacation Day(s) to Another Employee:

Any employee covered by the terms of this Document may contribute a total of four (4) days per fiscal year (July 1-June 30) of their accumulated sick leave, or vacation, or personal time off days to another employee (up to two (2) days may be donated to the same employee) for the following reasons:

- a. The employee receiving the donation is being placed on long-term disability (LTD) and has insufficient sick leave, vacation days, and/or personal time off days to meet the LTD waiting period without loss of income. Only the minimum number of days necessary to meet the terms of the waiting period after the recipient has used his/her accumulated sick leave days may be donated; or
- b. The employee receiving the donation has experienced a catastrophic circumstance, as determined by the Superintendent/designee, that resulted in a zero (0) balance of the employee's sick leave, vacation days, and/or personal time off days.

Guidelines to request a donation of a day and/or how to donate a day to another employee may be requested through the District 112 Human Resource Department.

Section 2. Bereavement Leave:

Subd. 1. Use: All full-time employees may be granted, with administrative approval, up to five (5) bereavement days (40 hours), non-accumulative, for absence due to a death. Use of these days does not result in a deduction from sick leave. Employees may request approval for use of bereavement leave in one (1) hour increments through the District leave system.

Subd. 2. Pro-rata: Part-time employees shall have available bereavement leave on a pro-rata basis.

Subd. 3. Additional Time: Should additional time away from work be needed as the result of a death, vacation and/or sick leave time may be used by the employee to meet that need. Should additional time away from work be needed as the result of a death the employee should notify (in writing) the Director of Human Resources.

Section 3. Child Care/Adoption Leave:

Subd. 1. Use: Child care/adoption leave of absences shall be available to employees for a period of time, not to exceed twelve (12) calendar months, for the purpose of caring for a newborn infant or adopted child for whom the applicant has the legal responsibility for the care and support of said child. Such leave may be taken subsequent to the birth of the employee's child, or in the case of adoption, when the child is physically turned over to the employee-parent.

Subd. 2. Notification/Request: An employee making a request for child care/adoption leave shall inform the Human Resources department, in writing, of the intention to take the leave at least three (3) calendar months before commencement of the intended leave. An employee will also provide at the time of the leave application; in the case of childbirth, a statement from the physician indicating the expected date of birth and when the employee will no longer be disabled from working due to childbirth; or in the case of adoption, a statement from the agency of the estimated date when the child will be turned over to the employee parent. The request for the childcare/adoption leave shall include the estimated commencement date and return date. The estimated commencement date shall be the physician's projected date the employee will no longer be disabled from his/her position due to childbirth or pregnancy related disability, or in the case of adoption, the agency estimated date when the child will be turned over to the employee parent.

Subd. 3. Use of Sick Leave: An employee may utilize sick leave pursuant to the sick leave provisions of the document for a child care/adoption leave.

Subd. 4. Granting of Leave/Duration: If an employee complies with the provisions of this Section, a child care/adoption leave will be granted by the District. The District will notify the employee, in writing, within thirty (30) days of School Board action. In making a determination concerning the commencement and duration of a child care/adoption leave, the District shall not, in any event, be required to:

- a. grant any leave more than twelve (12) months in duration.

- b. permit the employee to return to employment prior to the date designated in the request

Subd. 5. Reinstatement: An employee returning from child care leave will be returned to his/her previous assignment if available. If not available, the employee shall return to an assignment for which he/she is otherwise qualified.

Subd. 6. Experience Credit: An employee who returns from child care leave within the provisions of this section shall retain all previous experience credit and any unused leave time accumulated under the provisions of this Agreement as of the beginning of the leave. The employee shall not accrue additional experience credit for leave time during the period of absence for child care leave.

Subd. 7. Insurance Participation: An employee on child care leave is eligible to continue to participate in group insurance programs (health insurance, dental insurance, life insurance, supplemental life insurance) as permitted under the insurance policy provisions provided the employee pay the entire premium for such group insurance programs commencing with the beginning of the leave (see District Website, Human Resources for specific coverage available). It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an unpaid/child care leave, long term disability insurance coverage is not available

Subd. 8. Pay: A child care leave of absence granted under this section shall be a leave without pay.

Section 4. General Leave:

Subd. 1. Eligibility: Employees with a minimum of three (3) years of experience in the District may apply for an unpaid leave of absence subject to the provisions of this section. The granting to such leave shall be at the discretion of the District.

Subd. 2. Conditions of Leave: A general leave may be granted by the School Board for study germane to the employee's assignment, extended illness of the employee's family, civic duties, or for other reasons deemed appropriate by the School District.

Subd. 3. Benefits While on General Leave:

- a) An employee is eligible to continue to participate in group insurance programs (health insurance, dental insurance, life insurance, supplemental life insurance) as permitted under the insurance policy provisions provided the employee pay the entire premium for such group insurance programs commencing with the beginning of the leave (see District Website, Human Resources for specific coverage

available). It is the responsibility of the employee to pay the monthly premium amounts in advance and on such dates as determined by the District/Third Party Administrator. The right to continue participation in such group insurance programs will discontinue upon termination of employment, failure of the employee to pay the premiums to the District/Third party administrator, or the expiration of insurance availability under the insurance policy provisions. Since long-term disability insurance coverage replaces salary, and there is no salary for an unpaid/child care leave, long term disability insurance coverage is not available.

- b) An employee on general leave shall retain such amount of sick leave days and other accrued benefits which he/she had accrued, if any, at the time he/she went on general leave for use upon his/her return. No additional sick leave, vacation, or bereavement shall accrue for the period of time that a member is on general leave.

Subd. 4. Returning from General Leave: Upon completion of a general leave, the employee shall return to an equivalent position in the District unless discharged or the position held prior to leave is eliminated.

Section 5. Leave Extensions for General and Childcare/Adoption Leave: Employees on general or childcare/adoption leave shall notify the Director of Human Resources by mail of their intention to request a leave extension according to the following schedule:

- a) By February 1 when the return of said yearlong leave was intended to coincide with the opening of school.
- b) In the case of partial year leaves, at least sixty (60) days prior to the scheduled return date.

Applications for extensions will be acted upon no later than March 1 as per conditions listed in a) above, or no later than thirty (30) calendar days prior to the specified return date, as per conditions listed in b) above.

Employees will be notified of the status of their extension application by mail. Should the extension be denied, the employee is expected to return on the date arranged at the time of the leave approval.

Section 6. Family and Medical Leave (FMLA): FMLA shall be granted pursuant to applicable law.

Section 7. Workers' Compensation:

Subd. 1. Compensable Injury: When an employee is absent from work as a result of a compensable injury under the provisions of the Workers' Compensation Act incurred while in the employ of the School District, the School District will pay the difference between the compensation received pursuant to the Workers' Compensation Act by the employee and the employee's regular

rate of pay to the extent of the employee's earned accrual of sick leave and/or vacation pay.

Subd. 2. Deduction: A deduction shall be made from the employee's accumulated vacation or sick leave accrual time according to the portion of days of sick leave or vacation time which is used to supplement workers' compensation.

Subd. 3. Payment: Such payment shall be paid by the School District to the employee only during the period of disability.

Subd. 4. Additional Compensation: In no event shall the additional compensation paid to the employee by virtue of sick leave or vacation pay result in the payment of a total daily, weekly or monthly compensation that exceeds the compensation of the employee.

Subd. 5.
