| Class | Child's Name        | Type of Merit                              | Merit   |
|-------|---------------------|--|---|
| 3E    | Dhruvika            | Reflective                                 | Dhruvika has listened to advice given to her by teachers and has made a real effort to avoid distractions. Her improved focus on her learning has been wonderful to see. Well done!                           |
|       | Ejaz                | Reflective                                 | Ejaz has been trying really hard this week to focus more in lessons. Which has led to him being more independent and being less distracting to those around him. Keep it up.                                  |
| 3G    | Ayan and Karthik    | Reflective                                 | These children have been making links between their learning across different subjects. It is fantastic - keep it up!   |
| 3U    | Vaseegaran and Samy | Resilient, relationships and respectful    | Vaseegaran and Samy have been pushing themselves in class to try new things and to use the 3B's before me. They have also been helping their classmates in various lessons.                                   |
|       | Jaylen              | Joining in class discussions (aiming high) | Jaylen has been doing a great job of joining in the class discussions and showing his knowledge especially in maths. He has shown that he is focusing on the learning and giving some great answers. Awesome! |
| 4D    | Ishan               | Reflective                                 | Ishan's behaviour has improved exceptionally this week. He has been engaged in all subjects and been playing nicely at break/lunch times.   |
|       | Shrehaan and Vivaan | Golden rules                               | Shrehaan and Vivaan are wonderful role models for 4D. They always try their best in every lesson and contribute great ideas to class discussion. Well done! Keep it up.                                       |
| 4L    | Jlla                | Respectful and Resourceful                 | Jlla is a kind, smiley and respectful pupil who always tries her best. This week, she produced an amazing home learning of Egypt which needs to be shown in assembly! Well done!                              |
|       | Ayan                | Reflective                                 | Ayan has been consistently helpful in class over the past few weeks and has always produced learning of a good standard having reflected on what has been asked of him.                                       |
| 4P    | Anaya               | Resourceful                                | Anaya has been extremely resourceful this week by using the knowledge organisers and dictionaries to better her learning. Thank you for setting a great example by using the bits and bobs.                   |
|       | Arnav               | All the 5Rs                                | Arnav consistently tries his best in all of his learning. Arnav is always doing the right thing and always sets a fantastic example to the rest   |

|    |  |  | of the children in his class. Thank you for being such a wonderful role model.  |
| 5F | Anushka  | Resilience<br>Reflective<br>Respectful | Anushka has had a fantastic week. She has shown a positive, can-do attitude with her learning and has been putting her hand up a lot. She is so polite and kind, and has really has been a brilliant role model to others   |
|    | Vivan  | Relationships<br>Resilience            | Vivan has shown positive relationships through his kindness and willingness to help others. He has done very well in lessons and shared lots of his great ideas. Well done Vivan!   |
| 5I | Aryav  | Respectful                             | Aryav comes into school with a positive attitude and is ALWAYS ready to learn. Whenever the class transitions to another subject, Aryav never wastes time and gets his learning completed.  |
|    | Ella   | Relationships                          | Ella is an excellent role model in 5I. During our PHYSICS lesson she was group leader and ensured all children in her group were working together and completed the prediction together.  |
| 5K | Evan   | Resilience                             | Evan has impressed me with his Maths learning this week. He has challenged himself and managed to complete all the tasks and even presented his learning neatly. Keep up the good learning, Evan.   |
|    | Tanishqa,<br>Ayesha,<br>Nathaniel<br>and Kovid | Respectful                             | These children were immensely respectful on our trip to the Gurudwara. They also displayed active listening skills and were curious in learning more about the facts of Sikhism.  |
| 6A | Emanuela<br>and Vihaan                         | Reflective                             | For creating fantastic websites in computing both with a purpose and audience in mind.  |
|    | Yuvraj   | Reflective                             | Yuvraj maturely and confidently debated the strict laws of apartheid in our History lessons. He used his knowledge from home learning to strengthen his ideas too. Well done!   |
| 6H | Sundos   | Reflective                             | Sundos has reflected on the feedback she has been given and her attitude to her learning has improved. She is now more engaged during lessons and completing her learning to a higher standard. Well done Sundos.   |
|    | Muhammad                                       | Do<br>concentrate                      | I have been impressed with the improvement in Mohammad's focus during lessons this week. Well done for working hard to complete your learning. Keep it up.  |
| 6M | Aaditri and<br>Janell                          | Resourceful                            | Both pupils have taken extra time at home to create detailed and informative home learning pieces, with Janell creating a Benin artefact made from clay and Aaditri writing a 7 page booklet about the digestive system. I am very impressed with your work and keep it up! |
