

# Science Club 2022-2023

Attention 3rd and 4th graders. Are you ready for some awesome, challenging Science activities? Then you need to join the Science Club! There is no cost to join, and you get to have fun all year long!

We will meet once a month on Thursday starting right after school until 5:15. All students must be picked up in the front car rider line. At each meeting, you will receive directions for a project to be completed at home and brought to the next meeting. Projects usually involve basic materials around the house. **After our first meeting, you must have your project in order to attend the next meeting.**

Return this form to Ms. Rivera by Friday, October 21st

Here are the dates we will meet this year:

November 3rd  
December 1st  
January 12th  
February 9th

March 9th  
April 20th  
May 4th – Party for students who  
attend at least **four** meetings
