WEEKLY WARRIOR

Official Newsletter of Philomath High School

Boys and Girls XC both took first place at the OWC Championships! They will compete at the state meet Saturday at Lane Community College.

Special Education Dance

Every year for the past 10 years, with the exception of the Covid years, Philomath has hosted a Special Education Dance. We invite schools throughout the Linn-Benton-Lincoln area. We have had up to 10 schools attend. This was the first dance since Covid. We just needed to cut loose and enjoy others. We were able to get three schools to attend, and what a fun time. We had the cheer squad, National Honor Society members, and a plethora of other volunteers keep the students moving. They were line dancing, jitterbugging, and rockin' to the beats. It was a Halloween theme and for two hours, the music never stopped. Many teachers were able to drop in and enjoy the festivities. The food class made cake pops and rice krispie eyeballs that were a hit. Fun was had by all.

Graduate EVERY student and transition each of them into a job, training, or college.

Winter Sports Sign-ups

Winter sports season is just around the corner. Practices officially begin on Monday, November 14. Winter Sports include:

- Wrestling (Boys & Girls)
- Swimming (Boys & Girls)
- Basketball (Boys & Girls)

In order to participate in a sport, students must:

- Be enrolled as a full-time student
- Be registered on [FamilyID](#)
- Have a current sports physical on file

Athletic eligibility is set by the OSAA. Once students are registered on FamilyID, academic eligibility will be verified by the Athletic Department.

The **Winter Sports Parent Meeting** is Thursday, November 10 at 7 pm.

Senior families can now fill out the [FAFSA](#). For more information, contact the counseling office. [Federal Student Aid](#) has a page with tips.

College Guest Speakers

Junior and Seniors are welcome to attend!

November 14	LBCC Financial Aid Advisory Auditorium
November 17	SOU Advisory Auditorium

Marine Biology shark dissection

Mrs. Carr's Marnie Biology class dissected sharks last week.
