**What is the PTO?** The Franklin Monroe Elementary PTO (Parent Teacher Organization) is a volunteer-driven group of parents working with teachers and school administrators to provide exciting events, student rewards, and classroom supplies for our children and their teachers. Throughout the school year the PTO coordinates fundraisers and family events to raise money to support these endeavors. Being a PTO volunteer, participating in product and event fundraisers, and adding "Franklin Monroe PTO" as your AmazonSmile and Kroger preferred charity are all actions that help! Together we can keep providing science learning experiences, hosting skating parties and Santa Shop, purchasing needed items for classrooms, funding scholarships for the graduating seniors, and showing our appreciation to teachers and staff! *Go Jets!*
