Re:: NBAS change in mask policy on buses

Dear North Branch Parents & Guardians,

On January 29, 2021, the CDC issued an Order that required face masks to be worn by all people while on public transportation. Effective this past Friday, February 25, 2022, the CDC no longer requires that people wear masks on buses or vans operated by public or private school systems. In response, effective Monday, February 28, 2022, the wearing of face masks is no longer required and is now optional on school buses operated by North Branch Area Schools.

Thank you for your continued patience and support.

Sincerely,

Jim Fish, Superintendent  
North Branch Area Schools
