

2022-2023 MOUNT OLIVE HIGH SCHOOL TEACHER & STAFF MEMBERSHIP FORM

Greetings and Welcome Back Teachers, Staff and Administration of Mt. Olive High School!

Your \$10 Membership allows us to get better acquainted and opens a line of communication between staff and parents. Your involvement will greatly benefit our school and our children. Teachers, staff and administration have a special place in our hearts because we know that you are preparing our kids, our most precious assets for the future.

In general the Parent Club raises around \$10,000 of which 75%-80% is spent on students, and 15%-20% on teachers and staff. Our goal is to repeat our success of the past years and continue to serve the Mount Olive Community to the highest standards. All of the services we provide to the students and staff is made possible by the generous donations of time, and membership participation of our entire community!

We are excited about our plans for this year and ASK YOU to please join us as a member. You will receive informative emails letting you know what is happening on our high school campus. You can also take advantage of our ability to reach a large audience and submit information about events, create awareness about the causes you are involved in and let the community know of the happenings that are important to you.

You are welcome to join us for our bi-monthly meetings which are held at 7pm in the HS Commons (Or virtual depending on guidelines). We will send you reminders as well as links/invitations to connect. WE would LOVE to have you, or a member of one of your clubs speak at one of our meetings this year.

Thank you in advance for supporting the MOHS Parent Club, We Truly Appreciate It!
