HALL MEMORIAL LIBRARY ANNIVERSARIES

This year, 2022, marks the **30th anniversary** of the dedication of the newly expanded Hall Memorial Library. Sometimes it feels like only yesterday. What an exciting time it was, from the dreaming and designing to ground breaking to the challenges of construction and finally presenting the beautiful finished product to the community. During the past 30 years much has changed in the library world. Computers, the internet, DVDS, ebooks, databases. Here we have seen expanded library hours and services and programming. And for the building, new carpeting, restroom redos and solar panels.

At the heart of all this remains the dedication of the staff and Board to our community and their information and reading needs. November 11, 2022 marks the **119th anniversary** of the dedication of the original Hall Memorial Library. We are proud to continue the dream of Francis Hall to provide the best Library services for our great town.
