#### Social Gathering

- Maestra Meza wrote a letter to the committee to limit school gatherings on and off campus.
- Maestra Cruz-Alcantar there are covid cases in the classroom and Bienvenida many parents were unmasked.
- Maestra Garza try to do many meetings over zoom
- Maestra Mendoza felt pushed into participating in Bienvenida and was not comfortable
- Maestra Belman said there was behavioral problems with kids and the sub for the teachers who were ill.
- Delia Oseguera having community events is important for the school. We had onsite PTA meeting and Chuck E Cheese night. Families were connecting. We need to find a balance where families can connect with bring back school traditions.
- Maestra Cruz-Alcantar asked if Chuck E cheese was important; teachers are not ready.
- Teresa Gonzalez asked if there are no field trips happening, why do we need to have fundraisers. If there are field trips what is the mask guidelines and would the teachers feel comfortable doing it.
- Director Martinez says there is no consensus, and that safety is important.
- Eddie Correa how do we communicate this format. Community events that are teacher driven sound like they are not happening; celebraciones, leyendo abajo de las estrellas, fall festival, etc.
- Guards between desks are gone
- Covid dashboard on alum rock website is gone how do family get information about covid cases at school? Staff get daily emails of what schools get covid.
- Honor system of parents reporting covid to school.
- District policy is events are allowed outside with masks optional and inside masks must be worn.
- An agreement was for no onsite “large” activities and will be revisited next month.

For new members attend the district SSC training September 28 from 3:30-5:30pm

Meeting adjourned at 6:55pm – motioned by Maestra Meza second by Maestra Garza – everyone agreed.
