Principal's Phoenix Flyers:

Greetings RAHS Families and Community –

This week we recognize and give thanks to our **United States Military Veterans**. On Monday, our Student Leadership ASB team has planned a wonderful Veterans assembly with guest speaker Scott Carson, and on Friday, school will be closed as we honor our Veterans as a nation. Thank you to all of our staff and alumni, parents, community members and families who have valiantly served or are serving our nation.

This past week we hosted another awesome tour at RAHS for **Davis Aerospace and Maritime High School** in Cleveland, OH. Like Raisbeck, they are committed to engage students through a personalized, challenging curriculum with real-world connections, internships with community partners, and anytime-anywhere learning. It is always a pleasure to share our learning, and learn from other schools like Davis. Thank you to **Greta Kim and Brooke Swanson** for leading the tour (and thank you **Brooke** for the tour last week – we inadvertently left Brookes' name off of the San Diego tour and panel - apologies).

Families – just a reminder that we have Student Led Conferences coming up November 14 – 23. Please be on the lookout for an e-mail or message from your students' Advisory teacher and sign up for a time slot. YOU are the most important factor in your students learning and success and we appreciate working with you as a team! Thank you in advance for participating in this important opportunity.

Have a wonderful week!

Therese Tipton

PTSA Reflections Contest

The Raisbeck Aviation PTA is looking for art submissions for this year's National PTSA Reflections contest. The Reflections Contest is a themed, national contest. It encourages students to represent their school by expressing themselves through the arts. The theme this year is: "Show Your Voice!"

Students will compete in the High School Division for grades 9-12. Students can submit to more than one category but are only allowed one submission per category. The categories are: Dance, Film, Literature, Music Composition, Photography, and Visual Arts

Your contest submission, along with a [student entry form](#), must be completed and submitted by **Monday, November 29th**. After the PTSA has received all submissions, local artists will review the submissions and decide which submissions should advance to the state level. At the state level, students' submissions will compete against other high schoolers in the state. The winners at the state level will go on to compete nationally in Washington D.C.

Detailed entry rules can be found at www.wastatepta.org/events-programs/reflections under the Student Entry Rules Tab. Or you can view our PTSA's [Google Slide Presentation](#) which provides a more simple step-by-step overview of the Contest.

Any student with a disability defined under the Americans with Disabilities Act can submit to the Special Artist Division. More information can be found under the Special Artist Division Tab.

The PTSA has a small budget and can help purchase materials for any student in need. To request assistance, or if you have any other questions regarding the reflections contest, please email Raisbeckreflections@gmail.com.

Thank you,
