

CDNIS WINTER PROGRAMME

December 19 - 23 • 2022

SIGN UP ONLINE!

cdnis.edu.hk

TERMS AND CONDITIONS

Refunds will be offered if providers, CDNIS, the EDB or the HK Govt. cancel programmes due to safety reasons with the exception of cancellations due to inclement weather

All courses require a minimum number of enrolments to run; parents will be notified of any cancellations before courses commence and a refund will be issued in such cases

There are no refunds, credits or make up lessons for student absences

CDNIS reserves the right to change course times, venues and dates at our discretion; parents will be notified of any changes in advance whenever possible

CDNIS has the right to reject and prohibit any programme participants from entering into its premises or participate in online classes if it is, in its sole discretion, of a view that the participant's presence is not appropriate

Images captured during the programme may be used for promotional purposes, if you do not wish images of your child to be used, please email activities@cdnis.edu.hk to place your child on the 'do not photograph' list

By enrolling my child in the CDNIS Winter Programme, I agree that my child and will abide by the rules and regulations set out by the school

DATA PRIVACY

Your privacy is important to us. By enrolling your child(ren) in the CDNIS Winter Programme, and thereby providing personal data to us, you are consenting to the applications of the school's Privacy Policy and the collection, use, access, transfer, disclosure, storage and processing of your and your child(ren)'s personal information to the extent necessary to deliver educational programmes and adjunct services, such as health and safety, to the student as described in the Policy. All enquiries regarding the personal data should be in writing to the Data Protection Officer.

HEALTH AND SAFETY

All service providers, teaching staff, bus operators and students are required to be fully vaccinated for COVID-19

All students, staff and service providers must fulfill the vaccine pass (and provisional vaccine pass) requirements; students, staff and service providers will not be permitted to enter CDNIS if above requirements are not fulfilled

Parents must record their child's daily temperature and COVID daily test result in the Parent Portal; students will not be permitted to enter CDNIS without a recorded response

All students, staff and service providers will have their temperature checked upon entering CDNIS and must wear a face mask for the duration of the course (please pack extra masks for your child)

All students, staff and service providers will be required to sanitize their hands upon entry to CDNIS

Equipment and classrooms will be sanitized on a daily basis

Students may bring a snack (no nuts); snacks must not be shared; please send a snack/snack container that students can manage on their own

Students must sanitize their hands before and after snack time

Students should be dressed in comfortable clothing or appropriate sports attire; no school uniforms required

A nurse is on duty for the duration of the CDNIS Winter Programme; please notify nurse@cdnis.edu.hk of any known health issues of concern

REGISTRATION

The CDNIS Winter Programme is running from Dec. 19 - Dec. 23
Registration is open for CDNIS students from Nov. 7 - Nov. 11

Registrations are paid via credit card (AMEX not accepted) using the [Online ASA Registration System](#)

Log in using your Veracross username and password; if you require assistance with your password, please click on the '[forgot your password](#)' link on the programme registration page

Payment must be received at the time of registration in order to secure your child's enrolment; CDNIS students receive a 10% discount off list prices (with the exception of flat rate courses)

An electronic receipt may be printed out via the portal after your credit card payment has been processed

For additional information or questions please contact us at activities@cdnis.edu.hk or call 2240 6376

ARRIVAL AND DISMISSAL

Parents and caregivers are not permitted to wait on the premises; no parking is available on site

Parents are encouraged to register their child for the CDNIS Winter Programme bus service. Please email activities@cdnis.edu.hk to register your Grades 4 and 5 child as an independent walker.

Parents and caregivers may drop off 15 minutes before activities commence on foot via the LLAC lobby

Parents and caregivers may pick up students on foot via the 9/F main lobby or by car at 12:15pm via the LLAC lobby

Parents must display their student pick up tag so it is visible in car windows or present to ASA staff by hand upon pick up via the LLAC main lobby

WEATHER POLICY

Outdoor CDNIS Winter Programme activities will continue at the discretion of CDNIS if a lightning, thunderstorm, amber rainstorm warning, Typhoon 1 - 3 is in force before 6am. When possible, activities may continue safely with potential modifications to the programme. Activities for EY1 and EY2 students are cancelled when Typhoon 3 or above is in force

CDNIS Winter Programme activities are cancelled if the red or black rainstorm warning is in force before 6am

All CDNIS Winter Programme activities will be cancelled and students will be supervised at school during the day until it is safe to leave on the school buses/private transport if the red/black rain storm or Typhoon 8 signal is in force

All announcements and decisions will be immediately communicated via the CDNIS website

Trial By Fire (Intermediate Debate)

CDNIS Provider: Press Start Academy

The village town of Blindport has sprung to life, with the upcoming witch's trial capturing the imagination and excitement of all the residents. How will it pan out?

In Trial by Fire, you will gather information, solve problems with your peers and learn to think critically from multiple perspectives as you sharpen your debate skills and learn to construct your arguments using different writing and logical techniques. Are you ready to take on the case of a lifetime?

Song Composing Winter Music Jam

CDNIS Provider: Hong Kong Academic & Leisure Learning

This class is designed to introduce the creative process of song writing, composition and playing collectively in a constructive way. Students will also be exposed to other instruments, and how they combine to produce beautiful music. The Instructor has extensive experience in the short term "Band Camp" method.*Students are encouraged to bring along any instrument they currently play. Ukulele & guitar highly recommended.

Comic Strip Design

CDNIS Provider: Hong Kong Academic & Leisure Learning

Designing comic strips allows students to express their thoughts and emotions in a fun, productive manner. While creating characters in original environments, writing dialogue and developing stories, participants are free to draw and color using a custom art kit. Over the course of the Winter Camp, they have time to develop their own unique drawing style, while learning about proportions, values, colors, light and shadow. We welcome all students with any ability to join. Each will work at their respective skill level while following a common thread of the creative process.

Trial by Fire (Intermediate Debate) (G5-G6)	\$3660	Time: 9am - 12noon
Course Code (5000)		
Song Composing Winter Music Jam (G1-G6)	\$4150	Time: 9am - 12noon
Course Code (5001)		
Comic Strip Design (G2-G6)	\$4150	Time: 9am - 12noon
Course Code (5002)		

DJ Tech Camp

CDNIS Provider: GPL Limited

The students will get hands on experience by using professional DJ equipment and music software to create unique pieces. Each student will be guided to gain value in the field of exploring the different facets of music and technology. Each session will have a separate applied topical activity. Besides developing individual Djing techniques, team communications and management will also be taught. Usage of professional DJ devices such as DJ Turntable, DJ Mixer and MIDI controllers will be introduced and thoroughly explained.

Voice Acting & Sound Effects: Holiday Edition

CDNIS Provider: Babel Film Workshop

Bring animated movie characters to life this holiday season! Many students have seen animated films before, but don't know how their voices and sounds are created. In this camp, students will get to experience creating their own voices and sounds for a Winter holiday-themed animated film. They will.

- Create their own versions of an animated movie scene using their own voices and original sound effects
- Learn how to record and edit voice performances and sound effects
- Understand how filmmakers use voices and sounds to create a Winter holiday atmosphere
- Feel entertained by hearing their own voices and sounds in a professional movie Enroll this holiday season and experience animated movies like never before!

K-Pop Hip Hop Dance Camp (G1-G3)
Course Code (5005)

\$4580

Time: 9am - 12noon

K-Pop Hip Hop Dance Camp

CDNIS Provider: Dance for Joy

A high-energy, fun dance class that features the popular hip-hop and K-POP moves of today! Children will explore the basic movement of hip-hop dance in a fun and engaging way. This will enable the students to let loose while developing dance rhythm & coordination, creativity and musicality. Each class starts with a stretching and warm-up, hip-hop grooving and freestyling guaranteed to get our hearts pounding. Then we move into choreography set to today's groove worthy jams which combines old and new school hip-Hop, K-POP and today's Pop hits! This class will also help students build their self-confidence while promoting self-esteem. Our goal is to let each student feel extra empowered with every class!

We will have a blast learning dancing to age appropriate music and moves for the young energetic dancers this winter! We will also be adding Christmas themed dance games and activities! All levels are welcome.

Winter Drama Techniques (Prep-G1)

Course Code (5006)

\$2850

Time: 9am - 12noon

Exploring the Magic of Christmas (EY1-Prep)

Course Code (5012)

\$2850

Time: 9am - 12noon

Winter Drama Techniques

CDNIS Teacher: Agnes Sarreal

In this workshop, students will learn different drama techniques through games and play. They will also rehearse a play which they will showcase at the end of the camp.

Exploring the Magic of Christmas

CDNIS Teacher: Katrielle Mehmet

Explore this magical time of year in our exciting multi-activity programme. Activities to include Christmas crafts, storytelling, songs, dancing, snow making and much more!

Mandarin

Multi Mandarin (Prep-G5)
Course Code (5011)

\$2850

Time: 9am - 12noon

Multi Mandarin

Multi Mandarin

CDNIS Teachers: Viola Li and Mei Cheung

Join the activity Multi Mandarin! Students will enjoy a variety of fun filled activities taught in Mandarin. Pastel painting will inspire students' creativity and explore their imagination to create art work. They will learn fun ways and tones to recite Tang poems & tongue twisters and play traditional Chinese games. We design various arts and crafts activities with Chinese elements. Students will also get moving by learning some Kung Fu moves.

Multi-Activity

CDNIS Teachers: Winnie Au, Maria Ho and Kayla Cayabyab

Multi-Activity gives students a variety of challenges to keep their mind and body fit through the winter break. Different activities are included in Multi-Activity to ensure variety and challenge. We try to include a balance of creativity, academic and physical activities with a focus on positive participation and enriched learning experiences.

Daily Schedule (3 activities per day): approximate times

Rotation between activities will be under the supervision of classroom assistants

Activity 1 - 9am - 10am

Activity 2 - 10am - 11am

Activity 3 - 11am - 12noon

Swimming

Swimming

Lower School Swim Team Christmas Camp

CDNIS Swimming Coaches

This 3 hour per day swim camp will allow students to spend more time perfecting their race fundamentals including diving, turning and finishing. Each day we will work on stroke analysis and correction. Dryland work will include proper warm up, stretching and mobility work for junior swimmers.

*Students must be in Level 8 or Lower School Swim Team to join this programme.

Coaching Staff

Our team of highly qualified and experienced swim instructors will guide students through a progressive and professional methodology that will ensure they excel in the sport of swimming as well as enjoy the aquatic environment.

Sport

Basketball

CDNIS Provider: Top Flight

Top Flight will focus on coordination, flexibility, agility, and speed to make the students better basketball players and better athletes. There will be fun games, contests, and special competitions. Camp is open to Boys and Girls ages 5-18 of any skill level or experience. Students will be separated by age, skill level, and in some cases by gender to suit needs.

Gymnastics

CDNIS Provider: Sport4Kids

Sport4kids gymnastics camps are a ton of fun! Students will learn skills on all of the apparatus (bars, beam, vault and floor).

*Students may bring leotards to change into before classes commence.

Table Tennis

CDNIS Provider: Pong Zone

This camp is for those who are interested in learning and improving table tennis skills intensively within a week. Students will learn skill in gripping, forehand and backhand pushes, serving, stance, footwork, top spin, and competition tactics.

*Students need to bring their own table tennis paddle.

Kung Fu

CDNIS Provider: Heng Yue Yen Long Kwon Kung Fu

Students are trained to be proactive and unflinching when facing challenges. All the movements and techniques are simple, feasible and practical in actual combat. Training focuses on the important factors, which contribute to the scientific use of force – speed, agility, balance, flexibility, accurate timing and target focus.

Sport

Chess

CDNIS Provider: The Chess Academy

Through this camp, children will acquire invaluable skills sets such as developing stronger spatial reasoning, attention span, sportsmanship and confidence.

This camp strives to teach valuable skills by: Nurturing sportsmanship and planning, training patience and good decision making, guiding students in a positive manner, and encouraging students to learn from mistakes.

*All materials provided.

Fencing

CDNIS Provider: HK Elite Fencing

This fencing camp teaches children the basics of the sport, and are an ideal way to start fencing. Campers will learn basic rules, footwork and blade work. Campers will also get to fence every day and play fun developmental games. This winter camp is designed for boys and girls from Grade 2 to Grade 5 / Grade 6 to Grade 9 who want to try fencing, and gain fencing experience.

Wing Chun

CDNIS Provider: Mindful Wing Chun

Students will learn Self-defense through the physical actions of Wing Chun Kung Fu but also the extremely important skills of self-discipline, self-awareness, correct posture, coordination, balance, core strength. Classes will include short discussions based on important life skill topics; bully proofing, the laws of success, respectful and non-violent communication, healthy habits, leadership skills and more. So much more than just a martial art class and the best time spent over a Christmas break!

STEAM

Game Designers Programme

CDNIS Provider: Press Start Academy

Have you ever had an idea for a game you've always wanted to design? In our Game Design Programme, students will learn the basics of game design, key business trends in the game industry and go through three design stages as they develop their own game concept - creating their own characters, game world and rules, before facing the ultimate test, pitching their game to their peers! Students will go through the entire product design cycle from inspiration to ideation, developing creativity, design thinking and entrepreneurial skills.

Entrepreneurs Programme

CDNIS Provider: Press Start Academy

Have you ever wanted to build your own business? In our Entrepreneurs Programme, students will experience what it's like to be an entrepreneur as they play their way towards developing their very own business idea and plan! They will be introduced to the entrepreneurial experience through the card game Proto; learn about design thinking and business strategy through fun activities, games, case studies and mini research projects; and before they know it – they will be using these tools to discover their target users, designing solutions, creating their own prototypes and even developing their very own elevator pitch for our Dragon's Den at the end of the programme!

Cooking

STEAM

Stormy Chefs Christmas Special

CDNIS Provider: ActiveKids

In this camp, students will become more aware about sustainable diet concepts, such as - eating more locally and seasonally, more sustainable whole foods, avoid food waste and using less plastic. Not only will children have tons of fun cooking and bringing home some delicious dishes, but they will also feel great by taking small steps in making a positive difference to Mother Earth.

Come and bring home something delicious including Rosemary Focaccia, Gingerbread Cupcakes and more! *All ingredients provided.

*Students are required to come with their own food container to bring home their cooking.

Mission Runway

CDNIS Provider: ActiveKids

Mission Runway is a dynamic programme that combines textiles, design and presentation all into one. Not only will students gain knowledge of how to conceptualise their creativity, but they will also learn textile basics in order to construct a collection of outfits and accessories to be presented in the final fashion show. Mission: develop a sense of fashion and design, formulate their creativity into reality, perform, organise and sharpen their presentation skills.

*All materials included.

RoboCode

CDNIS Provider: ActiveKids

RoboCode offers a dynamic program using cutting edge, one-of-a-kind technology for students. Originated from Japan incorporating the STEM approach, our courses will help students understand, design, build and program robots. Mission: nurture creativity and logical thinking, encourage students to apply their knowledge using technology and develop the innovators of tomorrow.

*All materials included.

Creative Computer Class

CDNIS Provider: TLC Kids

This holiday programme is a compilation of the best lessons from our term-time curriculum. Students are provided with a solid foundation alongside the extra skills and confidence to full utilise ICT at school and at home. The programme incorporates Digital Game Based Learning programmes such as MinecraftEdu with topics such as Image Editing, 3D Modeling, Animation, Music Creation, Programming, Simulation, and much more!

Christmas STEAM Camp (Prep-G2)

CDNIS Provider: Big Bang Academy

Winter Tinkerer Programme - Students will learn how to make Instant Snow and make Hong Kong a snowy paradise. They will also learn about salt and water, how heat affects the state of matter, salt dough, snow powder, plastics and polymers. Experiments include Christmas Slime and DIY Snowman.

Elf on a Shelf Camp - Students will build a LED Christmas pop up card and learn about electricity, light bulbs, candy canes, and floor plans. Experiments include LED Christmas Card and Candy Cane marble maze.

*All experiment kits provided.

Christmas STEAM Camp (G3-G5)

CDNIS Provider: Big Bang Academy

Winter Tinkerer Programme - Students will use Chemistry to make different types of trees to bring the most festive form of Christmas possible! Students will make crystals, learn about solute, solvent and solution and different types of metals and metal replacement reaction. Experiments include Crystal Christmas Tree and Iron Tree.

Elf on a Shelf Camp - Students will learn about cams, gears, the engineering design process, electricity, electrical circuits and electrical appliances. Experiments include DIY Automation Box and Santa's Mission Buzzer Game.

*All experiment kits provided.

Science Adventures - Gizmo's Robot Factory (G4-G6)

CDNIS Provider: ActiveKids

Today, Robots are not simply confined to the pages of science fiction... In Gizmo's Robot Factory, we take a look at the exciting world of technology as we build Buggy-Bot, a unique walking robot made from K'nex. Join us as future robot engineers and get hands-on with many exciting aspects of science - from mechanics and hydraulics to magnetism and chemistry!

*All materials included.

Science Adventures - Space & Rocketry (G1-G3)

CDNIS Provider: ActiveKids

Build and Launch Gizmo's Hydro-Rocket! Get pumped up for some space exploration! Join Gizmo to build his brand new, state of the art hydro-rocket. Using the power of air pressure and water, launch your very own rocket over 100 feet into the air. Bring a bottle from home to design and launch a personalized rocket. Then take a trip around the universe by building a light-up solar system and a model about the stars in our universe.

*All materials provided.
