

Membership secretary's report November 2022 - Demises

This table lists the members of the RHSA whose deaths have been recorded since I made my last report in 2021.

Those highlighted in yellow are for 2021 & 2022. The remaining records are based on my historical record tracing. I continue with this aspect of my role using family history sites such as MyHeritage and Ancestry. I feel it is important to record and report the death of all members wherever possible. They should always be remembered.

RHSA Eulogy

Let us remember those who have crossed the Great Divide,

That we are grateful to them for sharing part of their lives with us.

And may all our members, present and future, have God's speed and fair winds through the seas of Life.

May we remember that our start in life was at the Royal Hospital School.

Written by Garth Webber, Vice President of the P&SW Branch.
