

Giving Opportunities for Grandparents

“For the LORD is good.  
His unfailing love  
continues forever, and His  
faithfulness continues to  
each generation.”

Psalms 100:5

## A LEGACY OF GIVING

---

Our community's legacy of generous giving has created the school you see today, where unparalleled academic opportunity intersects with a deep and abiding sense of God's goodness and grace for over 1,600 students. Tuition covers approximately 85% of GAC's operating budget. It does not support new building construction or the development of new programs. Additional funding is sought from friends, parents, grandparents, alumni, and foundations. Generosity and faithfulness are in the fabric of our history and continue to be a blessing to GAC.

Grandparents play a vital role in our community as loving supporters of our students and their education. Join us in our mission to raise the next generation of Christian leaders who will undoubtedly leave a lasting impact on their colleges, workplaces, and communities. Your gifts to GAC allow us to enrich teaching, inspire learning, and expand GAC's unique, faith-infused educational experiences for all our students.

**THANK YOU FOR PRAYERFULLY CONSIDERING A  
TAX-DEDUCTIBLE GIFT TO GAC. EVERY GIFT MATTERS.  
FOR YOUR GRANDCHILD AND EVERY STUDENT.**

God raised up leaders, donors, teachers, parents, and students into this new situation. He gave them a dream, a vision of what it would take, and showed them how to work together to make it happen.

Jesse Long, GAC Co-Founder and First President

“

I always considered my kids to be special, and GAC helped to make them even more special, even though they graduated over 20 years ago! Now I'm watching my grandchildren enjoy the same careful nurturing my sons got at GAC! It is a real joy to me as a grandparent to contribute to the continued success of GAC as a safe and enriching environment for my family and others. And it's easy to tell....you can see it in their faces! Thank you GAC.

Bob McIntyre, GAC Grandparent

# REDIRECT YOUR TAXES TO GAC IN SUPPORT OF CHRISTIAN EDUCATION

---

If you have income subject to Georgia income tax, our state's Education Expense Credit law provides an incredible opportunity to redirect a portion of your state income tax to Greater Atlanta Christian School. Your redirected tax dollars are utilized to provide needs-based scholarships for students who may otherwise not be able to attend Greater Atlanta Christian School. Enrollment in this tax credit program is simple and easy thanks to our partnership with Georgia GOAL Scholarship Program, a tax-exempt nonprofit organization recognized by the Georgia Department of Education as a qualified student scholarship organization under Georgia law.

**When you redirect your state income tax to GAC, our school is able to:**

- Increase needs-based financial aid for new students who otherwise could not afford the full GAC tuition
- Preserve existing financial aid to assist current families
- Increase funds available for educational & other offerings
- Further our mission by reaching more families desiring a Christian education
