Caution! This message was sent from outside your organization.

The American Rescue Plan (ARP) Elementary and Secondary School Emergency Relief Fund (ESSER III) provides over \$12,000,000,000 to the State of Texas for public education, including over \$11,000,000,000 directly to Local Education Agencies (school districts). In order for Tomball ISD to access the total entitlement of \$7,804,093, the District must submit and obtain approval of a district-level plan.

Seeking input from diverse stakeholders across the district is essential to developing plans for the use of approximately \$7,804,093 in ARP ESSER III district-level discretionary funds that are responsive to the needs of students, families, and educators.

Please submit any feedback via our [Stakeholder Engagement Survey](#) by 5:00 p.m. on June 8, 2021, to be reviewed for inclusion into Tomball ISD's ESSER III District Plan application.
